School

"Every day is a chance to begin again. Don't focus on the failures of yesterday, start today with positive thoughts and expectations."

— Catherine Pulsifer

From the desk of Chairman

Dear Students, Parents, and Staff,

As we step into April, I am filled with pride and appreciation for the vibrant energy that fills our school. This month marks a period of reflection and renewal—an ideal time to celebrate our achievements and prepare for the exciting challenges ahead.

Our students continue to impress us with their academic curiosity, creativity, and compassion. Whether through science fairs, art exhibitions, or sporting events, they embody the spirit of growth and excellence we strive to cultivate.

To our dedicated teachers and staff, thank you for your unwavering commitment to nurturing young minds. Your efforts ensure that learning goes beyond textbooks, creating an environment where students feel supported and inspired.

Parents, your partnership remains invaluable. Together, we build the foundation for our children's success and well-being.

Let's embrace this season of new beginnings with optimism and purpose. I look forward to seeing all that we will accomplish together in the coming months.

Warm regards,
Bhupinder Singh Charak
Chairman
Shemford Futuristic School.,Jammu

Vice-Principal

Ms. Kiranjit Kaur

"Education is the key to unlock the golden door of freedom." - George Washington Carver

Dear Students, Parents, and Faculty,

As we continue our journey towards academic excellence and holistic development, I would like to take a moment to express my pride and appreciation for the hard work and dedication that each one of you has shown.

Our school's commitment to nurturing young minds and fostering a love for learning is truly reflected in the enthusiasm and passion of our students. I am constantly inspired by the creativity, curiosity, and kindness that I see in our school community.

I'd like to highlight the innovative ideas and projects initiated by our students, which showcase their critical thinking and problem-solving skills. Our teachers play a vital role in guiding and mentoring students, providing constructive feedback, and encouraging them to take calculated risks in the learning process.

As students explore new concepts and ideas, our teachers carefully monitor their progress, offering support and guidance at every step. This nurturing environment enables our students to grow, learn from their mistakes, and develop resilience.

Congratulations to all the students who have participated in various activities and events! Your enthusiasm and commitment are truly commendable.

In the coming weeks, we have some exciting events and initiatives planned, and I encourage everyone to participate and engage with these opportunities. Your involvement and feedback are invaluable in shaping our school's culture and programs.

Thank you for being part of this wonderful community. Let's continue to work together to make our school an inspiring and supportive place for everyone.

Headmistress

Ms. Sushma Choudhary

"Every lesson learned is a step toward a brighter future, where knowledge, values, and ambition create boundless opportunities."

Shemford Futuristic School is a centre of excellence for quality education at school level and is committed to provide leadership quality in each child. All students are provided with proper facilities and resources to enable them to gain high level of education along with professional knowledge.

We are committed to fulfil the vision "To build the school as Centre of excellence where every child is a winner who can be groomed into a successful human being with integrity and honesty."

Our main focus is on active learning, developing scientific temper and instilling ethos of moral values and principles. We encourage maximum participation of students in co-scholastic areas and endeavour constantly to develop them into sensitive and responsible global citizens

Through this school Newsletter, I would like to convey my sincere message to our students, teachers and parents.

Message to Our Students- Utilize your full potential with sincere and methodical hard work and give your best to all the activities, especially in academics.

Message to Our Teachers- To keep pace with the advancement in technology and globalization, we should follow holistic teaching approach by providing desired level of motivation to all the children.

Message to Our Parents- We are fortunate to have the sincere co-operation of the parents who are the first teachers and we the teachers are the second parents.

I convey my deep sense of gratitude to our committee and ever supportive school management for providing all necessary support to the teachers and the students.

Chief Editor

Dear Readers,

Welcome to the April edition of our school newsletter—a month that brings with it the beauty of blooming flowers, longer days, and renewed energy. It's the perfect time to reflect on our journey so far and to embrace the opportunities that lie ahead.

This issue celebrates new beginnings—whether it's the launch of exciting projects, the unfolding of young talent, or the renewed determination to finish the academic year strong. You'll find stories of student achievements, creative expressions, community efforts, and the vibrant spirit that defines our school.

As we move forward, let's carry with us the enthusiasm of spring. Let this season remind us that growth often begins with a single step, a fresh idea, or a hopeful heart.

A big thank you to our contributors, teachers, and students for your continued support and inspiration. We hope this edition leaves you feeling proud, uplifted, and ready to begin again.

Warm wishes,
Ankita Choudhary
Chief Editor/ Administrative Officer

"And suddenly you
know: It's time to
start something
new and trust the
magic of
beginnings."

Activities & Celebration

Faculty Induction

"Welcoming the Dream Team! 🌟👏"

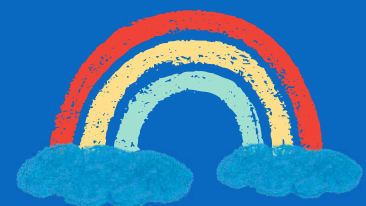

Shemford Futuristic School, Birpur Jammu organized an induction program with great zeal and enthusiasm to welcome its new teachers on board! 🎉

The program aimed to familiarize the new teachers with the school community, rules, regulations, curriculum, and other essential aspects of the institution. 🇮🇳

The new teachers were warmly welcomed and introduced to the school's vibrant culture. They were briefed about the school's vision, mission, and values, and how they can contribute to shaping young minds. 🌈🇮🇳

"To teach is to touch a life forever. As we welcome new faculty, we welcome new sparks of inspiration that will light the way for generations to come."

First day of school

"Education is the foundation of all we do in life. It shapes who we are and what we aspire to be." ✨

Shemford Futuristic School, Birpur Jammu, welcomed students with open arms as they embarked on a new academic year. The school's vibrant community came together to celebrate this fresh start, filled with promise and possibility.

🎉 The students showcased their talents, creativity, and enthusiasm, setting the tone for an exciting year ahead. The assembly was a wonderful way to foster teamwork, build confidence, and create lasting memories.

Vice Principal, Ms. Kiranjit Kaur, addressed the students, emphasizing the importance of punctuality and discipline. She reminded them that arriving on time and following the school's rules and regulations are essential for a productive and successful academic year. She encouraged the students to take ownership of their learning, set goals, and strive for excellence in all aspects of school life.

Table Manners activity

Table manners plays an important part in making a favourable impression. They are visible signals of our manners. It is socially acceptable the way to eat our food, especially when eating a meal with others with proper manners, knowledge, children can find themselves isolated with others..

Table manner activity was conducted for Kindergarten children to inculcate good eating habits and etiquettes. All the children followed their teachers instructions when demonstrated them wash hands before eat how to sit while having 🍽️ meal set the cutlery on the table, use napkin, chew food properly, and then winding up the things .

That activity was an enriching experience of the kids and will allow them to show respect and appreciation dining meal in future...

POCSO Awareness Program

Empowering Young Minds: Shemford Futuristic School, Birpur Jammu Hosts POCSO Awareness Program ★

Shemford Futuristic School, Birpur Jammu, organized an enlightening awareness program on the Protection of Children from Sexual Offences (POCSO) Act and the crucial roles of the Juvenile Justice Board (JJB) and Child Welfare Committee (CWC).

The event was graced by the presence of esteemed guests including Mr. Sandeep Sen, Secretary (Sub-Judge) District Legal Services Authority, Samba; Ms. Cheena Sumbria, Principal Magistrate Juvenile Justice Board, Samba; Ms. Neemisha Rajput, CWC Chairperson.

Adv. Suman Bhagat, Dy. LADC; Adv. Varsha Anthal, Assistant LADC, Samba; and Adv. Rajni Sambyal, Assistant LADC, Samba, played a pivotal role in educating the students about the POCSO Act and the legal frameworks in place to protect children.

Senior students actively participated in the program, engaging with the resource persons and gaining a deeper understanding of the importance of child protection and the mechanisms designed to support it.

The program emphasized the significance of awareness and education in preventing child abuse and exploitation. Students learned about their rights, the role of authorities in safeguarding their well-being, and the importance of reporting any form of abuse.

I.I.M.U.N. Workshop

"Empowering young minds is the key to unlocking a brighter future for all" ✨

Shemford Futuristic School, Birpur Jammu, was proud to host an enlightening I.I.M.U.N. (India's International Movement to Unite Nations) workshop designed to introduce our students to the world of leadership, global affairs, and public speaking. The session was conducted by Mr. Zia Want, Assistant Director, I.I.M.U.N., a passionate youth leader, skilled communicator, and advocate for empowering students through intellectual platforms. Through an engaging and informative session, Mr. Want guided our students on what I.I.M.U.N. is all about — its global reach, its role in nurturing future leaders, and the opportunities it offers for school students to participate in simulations of the UN and Indian Parliament.

Students were also briefed on how they can register and participate in upcoming I.I.M.U.N. events and conferences, and the values of diplomacy, awareness, and teamwork such experiences can instill in them. It was a truly inspiring session that left our students more informed, confident, and excited to step into roles that encourage critical thinking and global citizenship.

Baisakhi Celebration

Baisakhi is celebrated to mark the beginning of the harvest season, especially for Rabi crops in Punjab.

The kindergarten wing of Shemford Futuristic School reverberated with all enthusiasm during the Baisakhi celebration. 🎉 Children were dressed up in colourful Punjabi traditional attires. The motive behind the celebration was to apprise the children of their rich culture and heritage. Our school premises was transformed into vibrant celebration of Punjab. Various stations were set up like Mehendi corner where little ones got to apply mehendi on their hands, bangle station where little girls received beautiful bangles....

Parents orientation

🌈👋 Welcoming New Beginnings! ⭐

Shemford Futuristic School, Birpur, Jammu, recently hosted a Parent Orientation Program with the theme 'नव आगमन' 🌹, welcoming parents of new students to the school community 🧑👤. The program featured esteemed resource persons, Ms. Pallavi Mahajan 🧑🏫 and Ms. Lilly Bhan 🧑🏫, who shared valuable insights 💡 and expectations 📅 for the academic year.

The event provided an excellent opportunity 🙋 for parents to engage with the school, understand its vision, and learn about the various activities 🎨 and initiatives ✅ in place to support their child's growth and development 📈.

In a heartwarming gesture, the school heads presented mementos 🎁 to the esteemed guests as a token of appreciation 🙏.

Muay Thai Championship

"Knocking Out the Competition: Shemford Futuristic School Shines at the 2nd J&K UT Muay Thai Championship 2025" 🥊

Shemford Futuristic School, Birpur Jammu, is proud to share that its students have made a remarkable mark at the 2nd J&K UT Muay Thai Championship 2025 🏆. The championship was held in collaboration with Jammu University at the Boxing Ring, University of Jammu 🏫, and was organized by the Muay Thai Association of Jammu & Kashmir, affiliated with the United Muay Thai Association of India, and recognized by the J&K Olympic Association 🏅. Our students demonstrated exceptional skill, determination, and sportsmanship, bringing home an impressive collection of medals 🏆.

The medalists include:

- ★ Samar Tiwari - Gold 1
- ★ Vedant Mahajan - Gold 1
- ★ Dishant Pun Magar - Gold 1
- ★ Kapish Kalotra - Gold 1
- ★ Manvik Choudhary - Silver 2
- ★ Avyaan Choudhary - Silver 2
- ★ Ishmeet Pal Singh - Silver 2
- ★ Dev Choudhary - Silver 2
- ★ Deepali Rajput - Silver 2
- ★ Nihaas Mahajan - Silver 2

Ambekar Jyanti

"Cultivate the Mind, and You Will Be Free" ✨

Shemford Futuristic School, Birpur Jammu, celebrated Ambedkar Jayanti with great enthusiasm and fervor! 🎉 The students and teachers of Rig House came together to conduct a special assembly, paying tribute to the life and legacy of Dr. B.R. Ambedkar. 🙏

The highlight of the assembly was a thought-provoking skit presented by the students, which beautifully depicted the life and struggles of Dr. Ambedkar. 🌟 The skit was a testament to the students' creativity and understanding of the importance of Dr. Ambedkar's contributions to Indian society. ✨

The event was a wonderful opportunity for the students to learn about the values of equality, justice, and social reform that Dr. Ambedkar stood for. 🇮🇳 The assembly concluded with a pledge to uphold these values and work towards creating a more just and equitable society.

Extempore

"Echoes of the Earth: Voices of Concern" 🌍💚

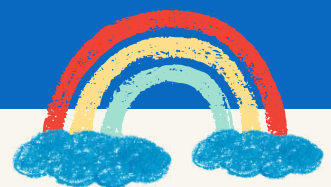

An engaging Extempore competition was conducted for Grade X students, centered around the thought-provoking theme "Rhythms of Earth" with the specific topic "The Earth's Symphony: Can We Hear Her Cry." ✨

The competition witnessed enthusiastic participation from students, who eloquently expressed their concerns and ideas about the environmental challenges facing our planet. 💡

With conviction and passion, students spoke about the urgent need for sustainability, conservation, and collective action to protect the Earth's natural rhythms. 🌍💚

Special mention goes to two outstanding performers: Ms. Bhoomika, who secured the 1st position with her compelling arguments and articulate delivery, and Ms. Faraha who claimed the 2nd position with her thought-provoking insights and confident stage presence. 🏆👏

The event not only showcased the students' public speaking skills but also highlighted their awareness and commitment to environmental issues. ✨

Earth Day

Shemford Futuristic School hosted a Guest Lecture on Earth Day, featuring the esteemed guest speaker, Mr. Sagar Singh, District Forest Officer, Samba. As a respected authority in environmental conservation, Mr. Singh shared valuable insights on the importance of protecting our planet and its natural resources. Through an engaging and interactive session, students will gain a deeper understanding of sustainable practices, conservation efforts, and the role they can play in preserving the environment for future generations. This event aimed to inspire young minds to take action, make eco-friendly choices, and contribute to a greener and more sustainable world.

Earth Day at IIT Jammu

Celebrating International Earth Day with a Plantation Drive at IIT Jammu

We had the privilege of celebrating International Earth Day by participating in a Plantation Drive at IIT Jammu. The event was graciously hosted under the guidance of Col. Rathore and Dr. Yogesh M. Nimdeo, whose support and encouragement made the experience truly memorable.

Our group of enthusiastic students, accompanied by a faculty member, contributed to the green initiative by planting saplings within the IIT Jammu campus. The drive served as a hands-on learning opportunity, inspiring students to take ownership of environmental conservation and sustainability.

We are deeply grateful to Col. Rathore and Dr. Yogesh M. Nimdeo for welcoming us and leading this impactful activity. Events like these play a crucial role in nurturing young minds to become responsible caretakers of the planet.

Earth Day at KVK Samba

" Nurturing Green Futures: A Plantation Drive Odyssey "

Shemford Futuristic School, Birpur Jammu orchestrated an enlightening excursion for Grade IX students, accompanied by Jr. CCA Coordinator, Ms. Seema Rani, to KVK SKUAST Samba for a plantation drive. ☀️

Students were warmly welcomed by the esteemed Chief Scientist and Head of KVK Samba, Dr. Sanjay Khajuria. 🙏

Under his expert guidance, the students enthusiastically planted saplings, gaining hands-on experience in environmental conservation. 🌱

The initiative culminated with a solemn pledge to protect Mother Earth, underscoring the students' commitment to sustainability. 🌍

As a token of appreciation, the school management presented a memento and gift to Dr. Sanjay Khajuria, expressing gratitude for his invaluable guidance, hospitality, and welcoming nature. 🎁

Earth Day

"Earth's Echoes: Voices for a Greener Tomorrow" 🌍💚

Shemford Futuristic School Birpur, Jammu, celebrated Earth Day with a special assembly, where Yajur House students and teachers took center stage. ✨

The event featured inspiring speeches, heartfelt poems, and impactful slogans, highlighting the importance of environmental conservation. 🌿

Little Shemfordians showcased their creativity by bringing handmade bottle planters from home, demonstrating their commitment to sustainability. 🌱

The assembly served as a powerful reminder of our collective responsibility to protect the planet and promote eco-friendly practices. 🌍🌿

World Book Day

“Books are the quietest and most constant of friends.”

On the occasion of World Book Day, Shemford Futuristic School, Jammu proudly hosted an insightful and motivational guest session titled “How to Be a Budding Author.”

We were privileged to welcome Mr. Sahaj Sabharwal, a renowned author, poet, and youth icon from Jammu, who captivated the audience with his inspiring journey, powerful words, and practical tips for aspiring writers.

His presence added immense value to our celebration of literature, learning, and self-expression.

ماحولیات کی حفاظت

ماحولیات سے مراد وہ تمام چیزیں ہیں جو ہمارے ارد گرد موجود ہیں، جیسے ہوا، پانی، زمین، درخت، جانور اور انسان۔ ایک صاف، صحت مند اور خوبصورت ماحول ہماری زندگی کے لیے بہت ضروری ہے۔ اگر ماحول آلودہ ہو جائے تو نہ صرف انسان بلکہ تمام جاندار خطرے میں پڑ جاتے ہیں۔

بدقسمتی سے، آج کل ماحول آلودگی، کچرے، درختوں کی کٹائی، اور کارخانوں کے دھوئیں کی وجہ سے خراب ہو رہا ہے۔ ان چیزوں سے نہ صرف ہوا خراب ہوتی ہے بلکہ پانی اور زمین بھی متاثر ہوتی ہے۔ اس سے بیماریاں پھیلتی ہیں اور موسم میں بھی تبدیلی آتی ہے۔

ماحول کی حفاظت کے لیے ہمیں درخت لگانے چاہئیں، پانی اور بجلی کا ضیاع نہیں کرنا چاہیے، پلاسٹک کا کم استعمال کرنا چاہیے اور کوڑا کرکٹ مناسب جگہ پر پھینکنا چاہیے۔ ہمیں جانوروں کا بھی خیال رکھنا چاہیے کیونکہ وہ بھی ماحول کا حصہ ہیں۔

ماحول کو صاف رکھنا ہماری قومی، اخلاقی اور دینی ذمہ داری ہے۔ اگر ہم آج ماحول کا خیال رکھیں گے تو آنے والی نسلوں کو ایک بہتر دنیا ملے گی۔

Importance of Cleanliness

Cleanliness is very important. We should keep our home, school, and surroundings clean.

We must throw garbage in the dustbin and wash our hands before eating. Clean places keep us healthy and happy.

Let us all keep our school clean and neat!

Kavish
2nd "C"

Global Warming

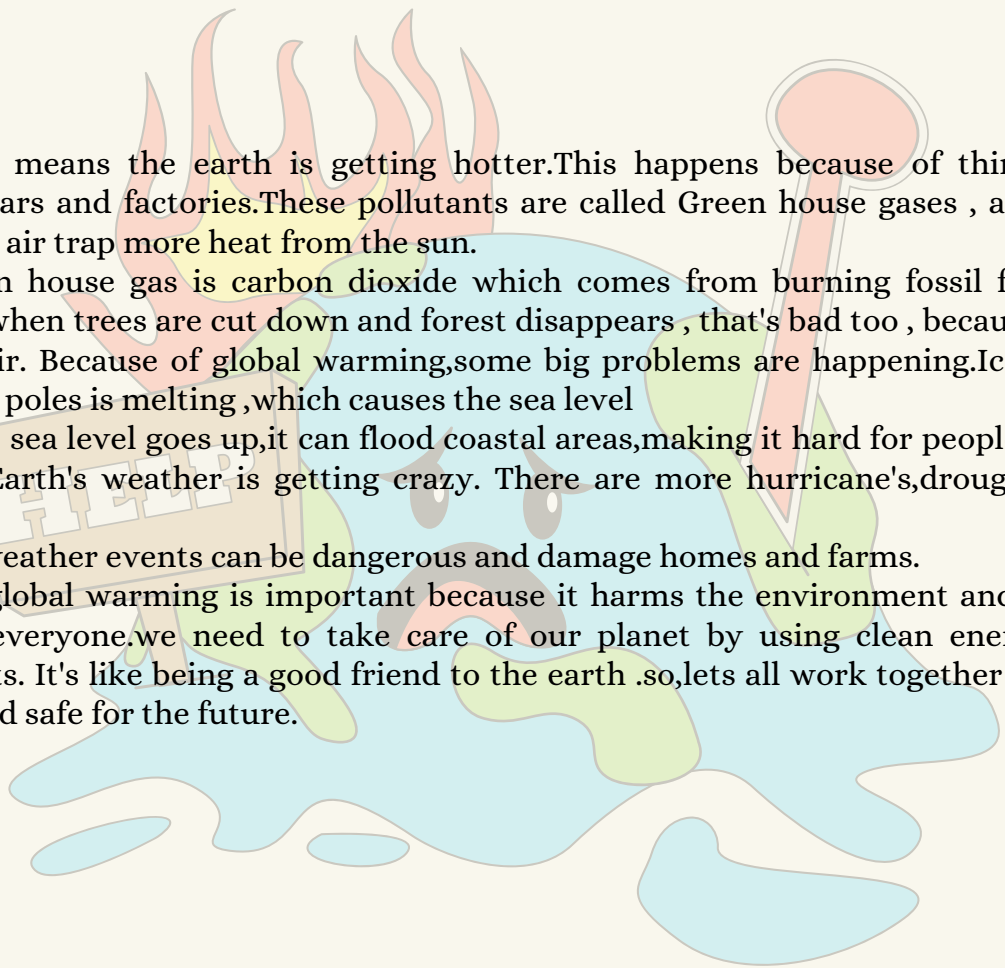

Global warming means the earth is getting hotter. This happens because of things like pollution from cars and factories. These pollutants are called Green house gases, and they make the Earth's air trap more heat from the sun.

One major green house gas is carbon dioxide which comes from burning fossil fuel like coal, oil and gas. When trees are cut down and forest disappears, that's bad too, because trees help clean the air. Because of global warming, some big problems are happening. Ice at the North and South poles is melting, which causes the sea level to rise. When the sea level goes up, it can flood coastal areas, making it hard for people to live there. Also, the Earth's weather is getting crazy. There are more hurricanes, droughts and floods.

These extreme weather events can be dangerous and damage homes and farms.

Understanding global warming is important because it harms the environment and makes life harder for everyone. We need to take care of our planet by using clean energy and protecting forests. It's like being a good friend to the earth. So, let's all work together to keep the earth cool and safe for the future.

The Power of Kindness

In a world that is often busy and stressful, one small thing can make a big difference—kindness. It doesn't cost anything, but it has the power to make someone's day better.

Kindness can be shown in many ways. Saying "thank you," helping a friend with homework, or simply smiling at someone are all acts of kindness. Even the smallest good deed can create a ripple effect and inspire others to do the same.

In school, being kind helps create a friendly and safe environment. It makes it easier for everyone to learn and grow together. When students support one another, the whole school becomes a better place.

So, let's remember to be kind—every day, to everyone. A kind heart is a happy heart.

Use And Misuse Of Mobile Phone

Introduction

Mobile phones have become an integral part of modern life, offering convenience and connectivity like never before. They serve various purposes, from communication to entertainment and productivity. However, alongside their benefits, the rampant misuse of mobile phones has raised concerns regarding privacy, health, and social interactions.

Use of Mobile Phones

Mobile phones facilitate instant communication, enabling individuals to stay connected with friends, family, and colleagues irrespective of geographical barriers. Moreover, they serve as essential tools for accessing information, managing schedules, and conducting business tasks efficiently. Additionally, mobile phones have revolutionized entertainment, providing access to music, videos, games, and social media platforms on the go.

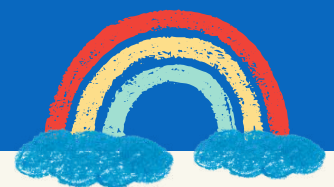

Misuse of Mobile Phones

Despite their utility, mobile phones are often misused, leading to detrimental effects on individuals and society. Excessive usage can result in addiction, causing productivity decline and adverse health effects such as eye strain and insomnia. Moreover, the misuse of mobile phones for cyberbullying, sexting, and unauthorized data access poses serious threats to privacy, security, and mental well-being.

Conclusion

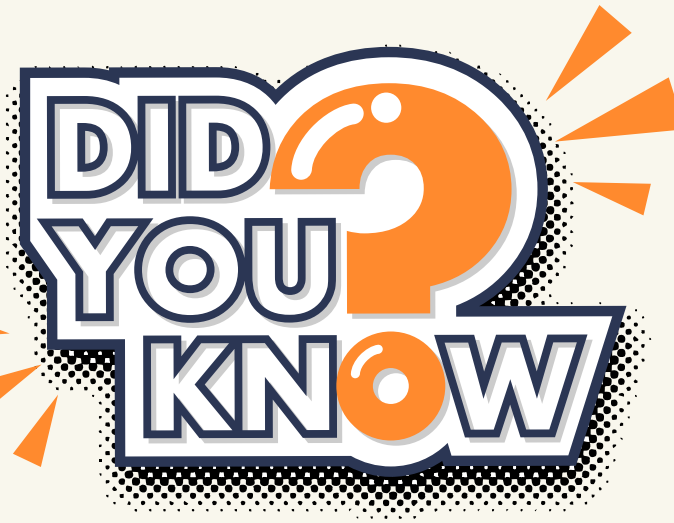

In conclusion, while mobile phones offer immense benefits in communication, productivity, and entertainment, their misuse can have significant consequences. It is essential for individuals to use mobile phones responsibly, maintaining a balance between their advantages and potential drawbacks. Education and awareness programs can play a crucial role in promoting responsible mobile phone usage and mitigating the adverse effects of misuse.

Nature

Oh wonderful nature,
You are so beautiful.
With green trees,
And humming bees.
The grass is so green,
And water is so clean.
Birds fly in the sky,
And mountains are so high.
The wondrous butterflies,
Make my thoughts fly.
The waterfalls are so cool,
Just like a swimming pool.
I love nature very much,
God give us this feature.

Discipline

Discipline is the key to success in life.
It means doing the right thing, even when no one is watching.
Waking up on time, completing tasks, and sticking to good health are all part of self discipline.
Without discipline it is easy to get distracted and procrastinate.
It helps in studies, work and even personal growth.
Discipline isn't about being strict, it is about making smart choices.
Small actions like keeping promises, avoiding bad habits and staying consistent build a strong character.
To make life successful it is very important to follow discipline.
Discipline in student life is very important.
It leads us to the right path.
It helps a person to be honest, respectful, happy and successful in life.
Thank you.

Value of time

Time has great importance in human life. The person who understands the importance of time in life is constantly moving towards progress. The value of time is more than money, money once lost can be regained sooner or later, but time once lost is lost forever. Time is very important in a student life. A proper time management is required to achieve success. By using time wisely we are able to do every thing on time and live a good life. Time never discriminate between the rich and poor both have equal time. It depends upon who uses it properly. Time is so powerful. That it can make a person a king or a beggar. We are free to make good use of our time and build a great future.

Television

Television has become the most popular source of entertainment these days. Young children are fascinated by it. They are quite familiar with TV serials, their stars and the interest of their plots. The greatest casualty is of course reading. A study of the group showing the time spent on watching TV and on reading amply supports my contention. Twenty years ago a kid would spend 9-10 hours daily on reading. On the other hand, TV watching which occupied only two hours then now holds us captive for 8-10 hours per day.

The need of the hour is to promote reading habits among students. A love for reading adventure stories, science fiction etc. has to be cultivated. Children's magazines help to develop and sustain their tastes. Parents must exercise restraint on themselves. They are role models for their children. They must have books instead of watching TV, thereby setting an example for their children.

हौसलों की उड़ान

उम्मीद के सूरज को दिल में जगाए चलो,
अंधेरों की दीवारों पर किरनें सजाए चलो।
थम-थम के भी बढ़ो तो मंज़िल मिलेगी यारो,
हर ठोकर को पत्थर-ए-सीढ़ी बनाए चलो।

हवा उलटी चले तो परो को और कस लो,
रुकावटों की आग में इरादे और बस लो।
जो राह में मिले काँटे, मुस्कराकर कहना—
“मैं खुद चमन हूँ, नज़र में गुलाब ही रख लो।”

जो बीत गया कल, उसे याद तक न करना,
दर्पण-सा साफ़ आज, हर पल चमकने देना।
सपनों की पतंग को साहस की डोर बाँधो,
आसमान छोटा पड़े—ऐसी उड़ान लेना।

तूफानों से लड़कर दरिया भी दिशा पाते हैं,
सहमी लहरें किनारे से लौट ही जाते हैं।
इक दीप बनो कि आँधियाँ भी हार मानें,
अपने भीतर का सूरज सदा मुस्काते हैं।

तुम चल पड़े हो तो मंज़िल भी चल पड़ेगी,
साहस के क़दमों में दुनिया झुक ही पड़ेगी।
खुद पर भरोसा रखो, कर्म को पूजा समझो,
जीत तुम्हीं की होगी—यह सृष्टि भी कहेगी।

विषय - भारतीय सशस्त्र बल

भारतीय सशस्त्र बल शक्ति और वीरता का प्रतीक हैं। सेना, नौसेना और वायु सेना से मिलकर, वे राष्ट्र की संप्रभुता की रक्षा करते हैं। राष्ट्रपति भारतीय सशस्त्र बल के सर्वोच्च सेनापति हैं। भारत के पास दुनिया की दूसरी सबसे बड़ी सशस्त्र सेना है। बहादुरी और समर्पण के साथ, वे देश की सीमाओं की रखवाली करते हैं। हिमालय की बर्फीली चोटियों से लेकर विशाल महासागरों तक, वे सतर्क रहते हैं। सशस्त्र बलों का एक समृद्ध इतिहास है, जिसमें कई पुरस्कार और सम्मान हैं। वे न्याय और शांति को बनाए रखते हुए राष्ट्र की भावना को मूर्त रूप देते हैं। सैनिक किसी भी चुनौती का सामना करने के लिए अपने कौशल को निखारते हुए कठोर प्रशिक्षण लेते हैं। उनकी निस्वार्थ सेवा राष्ट्र को प्रेरित करती है, सम्मान और प्रशंसा अर्जित करती है। भारतीय सशस्त्र बल गर्व का स्रोत हैं, देश की लचीलापन को दर्शाते हैं। वे अपनी बहादुरी और बलिदान के साथ आने वाली पीढ़ियों को प्रेरित करते रहते हैं।

Know your Country: India

Do you know Why Indian Highways have colour milestones

If u see a milestone with yellow strip means that you are travelling in national highways

If u see a milestone with Green strip means that you are travelling in State highways

If u see a milestone with black strip means that you entered a big city or district

If u see a milestone with orange strip means that you entered a village
