# MESSAGE FROM CHAIRMAN

Dear Esteemed Readers,

It is with great pleasure and enthusiasm that I extend my warmest greetings to each one of you on the occasion of the inaugural edition of the Shemford Futuristic School Magazine "Srijan".

This publication is not just a compilation of articles; it is a testament to the collective efforts, aspirations, and achievements of our school community. It signifies a celebration of knowledge, creativity, and the indomitable spirit of our students.

As we navigate the exciting journey of education, let us be reminded that:

**"The function of education is to teach one to think intensively and to think critically. Intelligence plus character – that is the goal of true education." – Martin Luther King Jr.**

Our dedicated faculty and staff have worked tirelessly to provide an environment that encourages curiosity, innovation, and holistic growth. In the stories shared within these pages, you will find the essence of Shemford—a commitment to excellence, a passion for learning, and a belief in the limitless potential of every student.

This magazine is not just a reflection of the present; it is a stepping stone towards a future where our students will make a positive impact on the world. Let the words and images within these pages inspire you.

May this inaugural edition serve as a source of inspiration, a record of achievements, and a reminder of the incredible potential that resides within each student of Shemford Futuristic School.

I express my heartfelt gratitude to all contributors, and I look forward to witnessing the continued success and growth of our students in the chapters that follow.

With warm regards,  
**Mr. Bhupinder Singh Charak**  
Chairman  
Shemford Futuristic School

# MESSAGE FROM MANAGING DIRECTOR

**Dear Parents, Students, Faculty and Staff,**

**It is with great pleasure, I welcome you to the inaugural issue of our school magazine. As Managing Director, I am immensely proud of the collaborative effort that has gone into bringing this publication to life. This magazine serves as a testament to our shared commitment to excellence in education and the vibrant spirit of our school community.**

**In the pages ahead, you will find a diverse array of content showcasing the talents, achievements, and stories that make our school truly exceptional. From insightful articles to captivating artwork, each contribution reflects the unique perspectives and passions of our students and faculty.**

**As we embark on this new chapter together, let us use this magazine as a platform to celebrate our successes, inspire one another, and continue striving for excellence in all that we do. I encourage you to explore these pages with an open mind and a sense of curiosity, and to share your feedback and ideas for future issues.**

**Thank you to everyone who has contributed to making this magazine a reality. Your creativity, dedication, and enthusiasm are truly appreciated. Here's to the beginning of an exciting journey of discovery and growth**

**With warm regards,  
Mr. Sunil Dogra  
Managing Director  
Shemford Futuristic School**

# MESSAGE FROM PRINCIPAL

## Welcome to the Shemford family where every child matters !

School plays a vital role in nurturing and developing the unique talent of every child as well as in shaping their character. In this fast-moving world driven by technology and innovation, the way children learn and the way they work, are redefining the realms of teaching and learning everywhere. At Shemford, we foster a positive spirit and believe in partnership among students, parents, and staff striving to create an environment that sustains excellence. Our distinction lies in the pursuit of high academic attainment through support, encouragement, praise and motivation. Open mindedness, independence, a global outlook, multiple intelligences and aptitudes are the premium qualities needed today.

As a 21st century organization, Shemford desires to set an approach to education that incorporates research and inquiry, critical and analytical thinking, an ethical and moral approach that becomes a lifetime habit. Students are helped to focus on leadership, confidence building, while nurturing a strong sense of social and environmental responsibility through academic and co-curricular activities.

We encourage all of our students to become independent and creative thinkers. We take pride in the diversity of our school and provide a climate of respect and acceptance for everyone and offer a safe and secure environment in which every child is nurtured to achieve beyond their potential.

A holistic and child centered approach leads to all decisions, developments and strategic planning actions for the well-being and success of all students. I especially want all of our students to aspire to be the best that they possibly can and I am committed to the school and its ethos.

Our school offers enrichment through various activities and events during school and through extra-curricular activities. We provide a wide range of opportunities in sports, art, cultural and performing arts programme beyond the school day as well as access to holiday camps, residential trips and participate in competitions and local events.

The very purpose of quality education is character building. Children are malleable, who can be shaped into persons of excellence by the teachers. I feel it is important for every child to enjoy a sense of achievement. Every child should be encouraged to perform to the fullest ability and due importance should be given to learning in areas beyond academics. Our students are exposed to various life connected activities across their subjects and outside classrooms which enable them in their decision making and reasoning abilities. Shemford is a place for happy children with a love for learning and sound value system. We want to mold a generation who can serve and succeed not only in their respective careers but also in serving humanity, develop empathy and sensitivity towards the world at large. For inculcating the true spirit of humaneness, we create an atmosphere where the students may grow with a true spirit of tolerance and respect for all religions, reverence for elders, sensibility to cultural heritages and various forms of demographics as well as the courage to face challenges of life. Let us commit ourselves to pave the path for a promising generation.

Together I am confident that Shemford Futuristic School will continue to grow in spirit and I am excited about being part of that future and the educational and personal journey of every member of Shemford community.

With warm regards,  
**Ms.Sahrish Ismaily**  
Principal  
Shemford Futuristic School

# MESSAGE FROM HEADMISTRESS

(PLAYGROUP TO GRADE-III)

**ALBERT EINSTEIN ONCE SAID  
“PLAY IS THE HIGHEST FORM OF RESEARCH.”**

Children are born with an incredible capacity and desire to learn. We at Shemford Futuristic School, Pre-Primary wing provide our students with rich experiences through play and activities that develop that develop critical thinking and problem solving skills, understanding about themselves which are age and developmentally appropriate.

We provide right opportunities and encouragement to our toddlers as these are the years when they are developing their five senses, strengthening their larger and finer bones, muscles and refining their eye hand coordination, which is also one of the prerequisites for being able to write. Alongside, their sense of identity and social skills are developing, as they initiate and engage in more and more play-based activities with other children. Initially, they engage in pairs and then gradually in smaller and then larger groups as they learn to play, work and live with others in harmonious ways. They also begin to appreciate how each of them is different and how these differences need to be not only accepted but respected.

Our pedagogical practices include activities and experiences for all domains of development such as-cognitive, Socio-emotional language and literacy, physical-motor, creative and aesthetic which are interlinked. All the students get ample opportunities to explore, understand, experiment, experience and transform information into meaningful content and skills. With the help of parents, our management and the competent teachers, we are able to overcome the challenges with ease. We were able to create an environment for our students to experience a sense of autonomy and confidence in their own growing abilities and achievements and develop good health habits.

With warm regards,  
**Ms.Sushma Choudhary**  
Headmistress (Playgroup to Grade-III)  
Shemford Futuristic School

# MESSAGE FROM ADMINISTRATIVE OFFICER

Dear Readers,

It is with great pleasure and a profound sense of responsibility that I welcome you to the inaugural issue of our school magazine, a testament to the vibrant spirit and dynamic energy pulsating through our educational community.

As the Chief Editor, I stand before you with a deep sense of purpose, committed to fostering a platform that celebrates our collective achievements, amplifies diverse voices, and inspires each one of us to reach new heights of excellence.

This magazine is more than just a collection of words on paper; it is a reflection of our shared experiences, aspirations, and triumphs. It is a canvas where creativity meets intellect, where ideas are born and nurtured, and where the seeds of change are sown.

In the pages that follow, you will find a rich tapestry of content that mirrors the multifaceted nature of our school. From thought-provoking essays to captivating artwork, heartwarming stories of resilience and determination, each piece offers a glimpse into the myriad talents and passions that define us as a community.

But beyond showcasing our achievements, this magazine serves as a catalyst for growth and transformation. It is a call to action, urging each one of us to embrace change with open arms, to confront challenges with courage and conviction, and to seize every opportunity to learn and evolve.

As we embark on this journey together, let us remember that the true essence of education lies not in the acquisition of knowledge alone, but in the pursuit of wisdom, empathy, and understanding. Let us cherish the moments of connection and camaraderie that enrich our lives, and let us remain steadfast in our commitment to creating a more inclusive, equitable, and compassionate world.

To the contributors, editors, and staff who have poured their heart and soul into bringing this magazine to life, I extend my heartfelt gratitude. Your dedication and passion have laid the foundation for a publication that I am confident will inspire, educate, and empower generations to come.

In closing, I invite each one of you to immerse yourself in the pages of this magazine, to engage with its content thoughtfully and critically, and to join us in shaping the narrative of our school community. Together, let us embrace the winds of change and chart a course towards a brighter, more promising future.

School is a place where children receive quality education that prepares them for success in the future. A school shall provide a safe and supportive environment that fosters our child's growth and development and Shemford futuristic school has successfully done so. The school has been able to mix curriculum and co curriculum activities to produce learners who are well fitted in today's time.

We are fortunate to have such a school in our area who is building our child's future. Sudyut has not only acquired knowledge on various subjects but has also developed his over all personality.

## The Magic of Learning: Exploring the World of Education

### Hey Primary Pioneers!

Education is an incredible adventure that takes you on a journey of discovery and growth. It's a time to explore new ideas, make friends, and develop amazing skills that will stay with you for life.

### What is Education?

Education is the process of learning and developing knowledge, skills, and values. It helps you understand the world around you and your place in it.

### Why is Education Important?

Education is the key to unlocking your potential. It helps you:

- Develop critical thinking and problem-solving skills.
- Build confidence and self-esteem.
- Discover your passions and interests.
- Make informed decisions about your life.
- Become a responsible and engaged citizen.

### What Can You Learn?

In primary school, you'll explore a wide range of subjects, including:

- English: reading, writing, and storytelling.
- Math: numbers, shapes, and problem-solving.
- Science: exploring the natural world.
- Social Studies: learning about cultures and communities.
- Arts: music, art, and creativity.

### Tips for Success:

- Be curious and ask questions.
- Practice regularly and persevere.
- Work together with your friends and teachers.
- Take risks and try new things.
- Have fun and enjoy the journey!

### Conclusion:

Education is a magical journey that opens doors to new experiences, knowledge, and friendships. Embrace it with enthusiasm and excitement, and remember that learning is a lifelong adventure!

Keep exploring, discovering, and growing!

With warm regards

" \*Creativity is the spark that ignites the flame of possibility. Let us embrace the vibrant world of Co-Curricular Activities and unleash our limitless\* \*potential."\*

Greetings!!!

As a JR. CCA Coordinator, I feel privileged to be a part of this prestigious institution where every stakeholder is a learner and every day is an opportunity to learn and discover.

Co-Curricular Activities serve as the perfect avenue for the students to explore their passions, hone their skills, and discover hidden talents beyond the confines of the traditional classroom. Whether it be the rhythmic beats of the school band, the graceful movements of dance troupe, or the strategic maneuvers of various sports activities, there is an array of opportunities awaiting them to delve into.

This year, we have curated an eclectic mix of CCA options, carefully designed to cater to the diverse interests and aspirations of our remarkable student body. From sports teams that embody the spirit of teamwork and resilience to art clubs that ignite the flames of creativity, there is something for everyone to embrace and excel in.

As the Junior CCA Coordinator, my utmost priority is to ensure that each student feels supported and empowered in their chosen CCA. I am here to guide them, provide resources, and facilitate a nurturing environment where they can flourish.

As we embark on this journey, let us embrace the transformative power of Co-Curricular Activities and seize every opportunity to discover our true potential. Together, we will create a tapestry of talent, passion, and growth that will inspire generations to come.

With warm regards,

Seema Rani

## LAUGHTER ROLLER COASTER

It was oral examination in the standard two. The class teacher asked various questions to the students. She asked Tom, 'Can you tell me a name of an animal that starts with alphabet 'E'? Tom replied 'ELEPHANT' Teacher asked him again to name an animal that starts with alphabet 'T'. Tom replied 'Two Elephants' Teacher asked him the same question. Tom replied 'Ten Elephants' Annoyed teacher, asked him name an animal that starts with alphabet 'M' Tom replied 'Mother Elephant' The angry teacher repeated the same question.

Johnny asked to Sam what they will do that night.

Sam said "we will flip a coin"

Then Johnny said "If it comes head, we will go for movies. If tails, we will play cards, if it stands on edge, we will study!"

Teacher: Sani, if you had 5 dollars and you asked your mother for another 5, how many dollars would you have?

Sani : 5 dollars Sir!

Teacher: You don't know your Arithmetic.

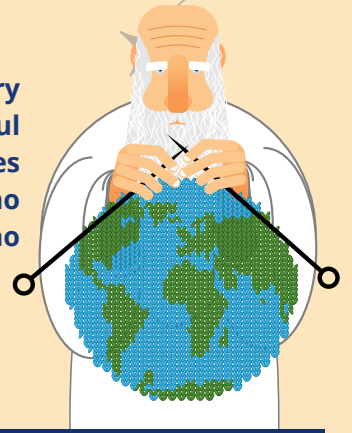

Sani : But Sir, you don't know my mother!

#### Story

Once upon a time. There was a crow. He had a piece of meat. A hungry fox came there. His mouth watered when he saw the piece of meat. He thought of a plan to get it. He praised the voice of crow. The fox said him to sign a song. When the crow opened his mouth to sign. The piece of meat fell down. The fox ate it and went away.

#### Topic : Global warming

Rise in global temperature due to global warming is dangerous for life on earth. The unsustainable use of natural resources is also a reason for global warming. The increased rate of deforestation, burning of fossil fuel, vehicle and industrial pollution contribute to global warming. Research shows that the average temperature of the earth may increase by 1.0 to 5.0 degrees in the next decade. The rise in the global temperature tends to melt the glacier and increase the sea level. A report suggests that the global sea level may rise between 0.3 to 2.5 metres in the next few decades. Change in the global temperature affects the pattern of monsoon winds and changes the time and intensity of rain. The unpredictable climate change affects the agriculture and productivity of the nation. Planting more trees can be a good step towards removing the problem of global warming.

## Topic: Lakes

Lakes are a type of water body. They are formed when large cracks or holes on the surface of the land are filled with rainwater or river water.

Lakes are surrounded by land on all sides. Most Lakes have fresh water but some have salt water. If there is some space for water to flow out of a lake, it remains fresh. If a lake is closed, it becomes salty over time, as the water evaporates.

Some lakes occur naturally while others are created by humans. Water in Lakes can come from small streams, rains, or some rivers.

## विद्यार्थी जीवन में नैतिक शिक्षा का महत्व

नैतिक शिक्षा मनुष्य के जीवन में बहुत आवश्यक है। इसका आरंभ मनुष्य के बाल्य काल से ही हो जाता है। सब पर दया करना, कभी झूठ नहीं बोलना, बड़ों का आदर करना, दुर्बलों को तंग न करना, चोरी न करना, हत्या जैसा कार्य न करना, सच बोलना, सबको अपने समान समझते हुए उनसे प्रेम करना, सब की मदद करना, किसी की बुराई न करना आदि कार्य नैतिक शिक्षा या नैतिक मूल्य कहलाते हैं। सभी धर्म ग्रंथों का उद्देश्य रहा है कि मनुष्य के अंदर नैतिक गुणों का विकास करना ताकि वह मानवता और स्वयं को सही रास्ते में ले जा सके। एक बच्चे को बहुत पहले ही घरवालों द्वारा नैतिक मूल्यों से अवगत करा दिया जाता है। जैसे-जैसे उसकी शिक्षा का स्तर बढ़ता जाता है। उसके मूल्यों में विस्तार होना आवश्यक हो जाता है। ये मूल्य उसे सिखाते हैं कि उसे समाज में, बड़ों के साथ, अपने मित्रों के साथ व अन्य लोगों के साथ कैसे व्यवहार करना चाहिए। विद्यालय में किताबों में वर्णित कहानियाँ और महत्वपूर्ण घटनाओं के माध्यम से उसके मूल्यों को संवारा व निखारा जाता है। यदि एक देश का विद्यार्थी नैतिक मूल्यों से रहित होगा, तो उस देश का कभी विकास नहीं हो सकता। लेकिन विडंबना है कि यह नैतिक मूल्य हमारे जीवन से धूँधले होते जा रहे हैं। हमारी शिक्षा प्रणाली से नैतिक मूल्यों का क्षरण हो रहा है। क्योंकि इनमें नैतिक शिक्षा का अभाव है। अपने स्वार्थ सिद्धि के लिए हम किसी भी हद तक गिर जाते हैं। ये इस बात का संकेत है कि समाज की स्थिति कितनी हद तक गिर चुकी है। चोरी, डकैती, हत्याएँ, धोखा-धड़ी, जालसाजी, बेईमानी, झूठ, दूसरों और बड़ों का अनादर, गंदी आदतें नैतिक मूल्यों में आई कमी का परिणाम है। हमें चाहिए नैतिक शिक्षा के मूल्य को पहचाने और इसे अपने जीवन में विशेष स्थान दे।

## शेर और चार गाय

एक बारकी बात है, एक जंगल में चार गाय रहती थी। चारों गा य एक दूसरे की बहुत अच्छी दोस्त थी। वे चारों गाय एक साथ मिलकर घास चरने जाती थी और बिना किसी से लड़े झगड़े आपस में बाँटकर खाती थी।

उस जंगल में एक शेर भी था जो काफी दिनों से इन चारों गायों के ऊपर नजर बनाए हुआ था। अचानक से एक दिन शेर ने इन चारों गायों पर हमला बोल दिया। चारों गाय दोस्तों ने बिना डरे शेर से मुकाबला किया और अंत में शेर हार मान कर वहाँ से भाग गया। शेर को पता चल गया कि जब तक ये चारों गाय एक साथ हैं तब तक वह उनका कुछ नहीं बिगाड़ सकता। कुछ दिन और बीते। आखिरका एक दिन उन चारों गायों में किसी बात को लेकर झगड़ा हो गया और वह चारों गाय अलग-अलग रहने लगी। अब वह घास चरने के लिए भी अलग-अलग ही जाया करती थी। शेर को ये एक बहुत ही अच्छा अवसर मिल गया उन गायों के ऊपर हमला करने का। एक दिन उसने एक गाय को अकेले दूर जंगल में घास चरते हुए देखा और उसने उस पर हमला किया। ये गाय तो अकेली थी और शेर से अकेले नहीं लड़ पाई और शेर ने उसे मार दिया। इसी तरह एक एक करके शेर ने उन चारों गायों को मार दिया और खा गया।

## माँ

भगवान का दूसरा रूप होती है 'माँ'। 'माँ' एक आसान सा शब्द हो सकता है लेकिन शब्द की गहराई को समझना बड़ा मुश्किल है। माँ शब्द हम सबके जीवन का पहला वह शब्द होता है, जिसे हम हर दुख दर्द में सबसे पहले लेते हैं। भगवान का नाम भी इंसान दुःख दर्द में भूल जाता है। मगर माँ का नाम लेना कभी नहीं भूलता। माँ हमारे जीवन का वह हिस्सा होती है, जिसके बिना जीवन जीना असंभव हो जाता है। माँ घरों के काम के बावजूद भी नौकरी भी करती है ताकि हमारा घर और अच्छी तरीके से चल सके।

## नशे की लत

किसी भी तरह के नशे की लत नुकसान दायक ही होती है। नशे से छुटकारा पाना भी लगभग सभी लोग चाहते हैं, लेकिन यह आसान काम नहीं है क्योंकि जो व्यक्ति नशे का आदि है, उसका शरीर उसे इसकी इजाजत ही नहीं देता। नशा छोड़ने की कोशिश करने पर शरीर पर ऐसे-ऐसे आफ्टर इफेक्ट दिखते हैं कि व्यक्ति फिर से नशे की ओर मुड़ जाता है। उसका आत्मविश्वास जवाब दे देता है। हर नशा अपने आपमें अलग होता है, लेकिन उनका दिमाग पर असर एक जैसा ही होता है। दिमाग में एक सर्किट होता है, जिसे रिवाइड पाथवे कहते हैं। जब दिमाग उत्तेजित होता है तो यह डोपामाइन नाम का कैमिकल छोड़ता है। डोपामाइन रिलीज होने पर व्यक्ति को आनंद की अनुभूति होती है, लगभग सभी तरह से नशे के उत्पाद दिमाग पर इस तरह का असर दिखाते हैं, यही वजह है कि लोग जल्दी ही नशे के आदि हो जाते हैं।

### बेटियाँ

बेटियाँ हम बेटियाँ, बेटों से हम नहीं है कम,  
पर्वत से टकरा जाएँ इतना है हम में दम ॥

शत्रु से लोहा लेना, हमको भी आता है,  
अग्नि की ज्वाला में कोई टिक नहीं पाता है ॥  
बच न पाए दुष्ट कोई, रानी झाँसी की कसम,  
बेटियाँ हम बेटियाँ, बेटों से नहीं हैं कम ॥

हवा से बातें करना भी, सीख लिया है हमने,  
सागर के अंदर झाँक कर, देख लिया है हमने ॥  
एवरेस्ट की चोटी पर अब लहरा दिया परचम,  
बेटियाँ हम बेटियाँ, बेटों से नहीं हैं कम ॥

राजनीति में भी कदम हमारा है,  
अबला बनने से हमने किया किनारा है ॥  
भूल चुके हैं लोग लगाना जख्मों पर मरह  
बेटियाँ हम बेटियाँ, बेटों से नहीं हैं कम ॥

बेटियों को देश में अब मिल रहा सम्मान है,  
देश हमारे साथ है इसका हमें अभिमान है ॥  
बेटियों पर अब भविष्य में अब होगा न जुल्म,  
बेटियाँ हम बेटियाँ, बेटों से नहीं हैं कम ॥

At SHEMFORD FUTURISTIC SCHOOL we believe that 'children must be taught how to think, not what to think.' SHEMFORD FUTURISTIC SCHOOL provides an inclusive environment where students are encouraged to put their best foot forward to achieve academic, sporting and social excellence. Students are provided with platforms in the form of various inter class, inter house and inter school competitions where not only the inborn talents of the child is polished to shine but also builds confidence and help enhance their personality. The potential of the students are channelized by teacher cum facilitators with a holistic student centred approach.

The school provides an environment where the child realizes his worth as a responsible, balanced and valued member of the society; and believes in the concept of creating an ambient future for all. The school leaves no stone unturned to even provide counselling sessions from time to time.

In the technologically changing fast world the school promises to keep up the pace benefiting both students and teachers by deploying smart classes, maths lab, smart computer learning and regular teacher training workshops. All efforts that are put in by team SHEMFORD FUTURISTIC SCHOOL reflect in the various laurels that our students bring and the awards that have been conferred to SHEMFORD FUTURISTIC SCHOOL in a short span of time.

We believe in moving ahead with all our welleishers and strongly feel that education is a shared commitment between dedicated teachers, motivated students and responsible parents. Together we can and we shall make the SHEMFORD FUTURISTIC SCHOOL a best place for learning and growth.

We at SHEMFORD FUTURISTIC SCHOOL strongly believe in a quote by the great Scientist and Philosopher Albert Einstein -  
"Education is what remains after one has forgotten what one has learned in school"

## SENIOR CCA COORDINATOR

There is nothing more important than the health of a person. As the saying goes, “A Healthy mind lives in a healthy body”. Research has revealed that regular exercise boosts the brainpower of young adults.

Our offers a range of activities to engage students in various co-curricular and Extra-Curricular Activities such as Debates, Elocution, quiz contest or Games, and Sports, In performing arts, students can choose Dance, Music, and more . We teach our students the importance of participation, the journey is as important as the destination. Learning skills that supplement your academics is essential for every student’s educational experience. Throughout the year, numerous valuable competitions are held at Shemford Futuristic School

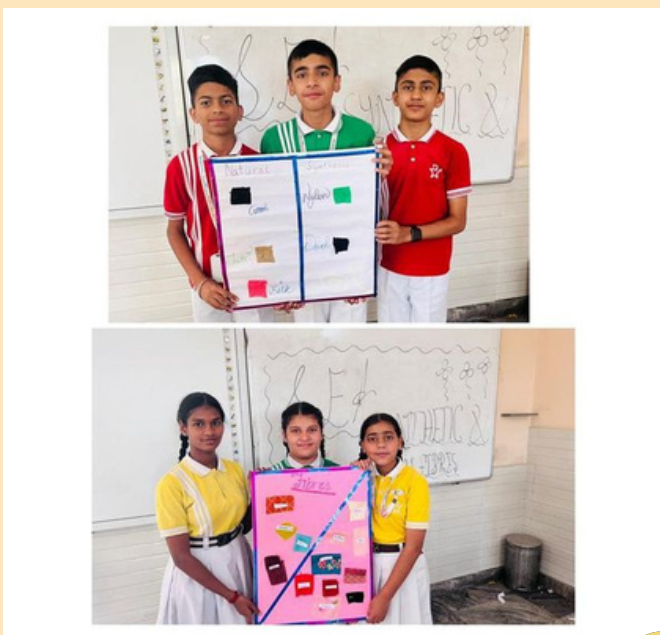

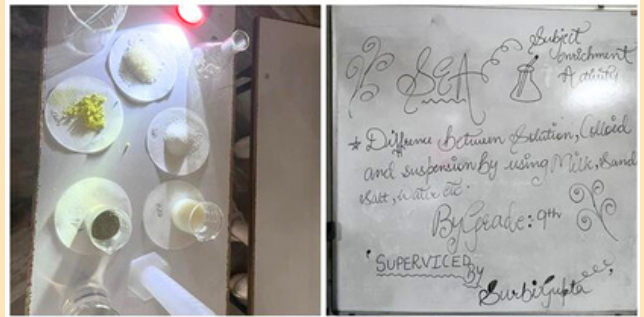

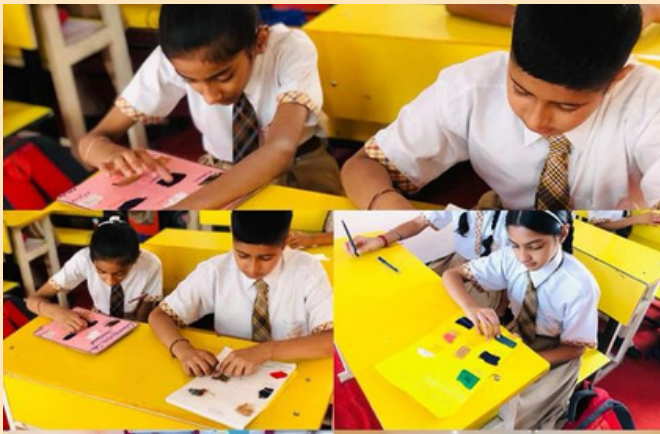

These competitions give the children the opportunity to come out of their comfort zone and it provides a platform for them to demonstrate their talents – an important stepping-stone to achieving greater things in life outside the academic arena. They represent unconventional but effective ways of securing internships, scholarships, jobs, and early exposure to real-world issues.

Many students who struggle with academics show significant improvement when engaged in co-curricular and Extra-Curricular Activities. This engagement has motivated students to persevere in their studies, influencing positive changes to their character, personality, and confidence.

The benefits of co-curricular and Extra-Curricular Activities in addition to schoolwork are far-reaching. They enable students to take on challenges head-on and provide students with the ability to handle complex situations. We encourage students to participate in activities they love and enjoy, activities that will help them in all their future endeavors, and teach them to live a fulfilling and meaningful life. You would find a wealth of learning opportunities at Shemford Futuristic School that would serve as an essential stepping stone to a fulfilling life and career.

# "Navigating the Social Media Landscape: Impact, Trends, and Challenges"

In the digital age, social media has become an integral part of our daily lives, transforming the way we connect, share information, and consume content. This article explores the multifaceted aspects of social media, examining its societal impact, current trends, and the challenges it presents.

## The Impact of Social Media:

Social media has revolutionized communication, breaking down geographical barriers and enabling instantaneous connections. It has empowered individuals to express their opinions, share experiences, and build communities.

## Current Trends in Social Media:

As technology evolves, so do the trends in social media. Short-form video content, live streaming, and augmented reality experiences are dominating platforms.

## Challenges and Controversies:

Although social media offers numerous benefits but also its challenges cannot be ignored. The addictive nature of social platforms, the amplification of echo chambers, and the impact on mental health are subjects of ongoing debate.

## Social Media and Business:

Businesses have embraced social media as a crucial marketing tool.

## Conclusion:

Social media is a dynamic and influential force that has woven itself into the fabric of modern society. As we navigate this digital landscape, it is essential to be aware of its impact.

## Father's love

Dad's strength is like a stone,  
A foundation he has shown.  
He is the building block we need,  
To keep our family strong indeed.

He is a guiding light,  
Full of hope in the darkest night.  
He teaches me to be brave and strong,  
And to always keep going on.

He's there to wipe away tears,  
And chase away the deepest fears.  
He's always there to lend a hand,  
And to help me understand.

A father's love is like no other,  
It's like the love of a mother.  
He's always there to pick us up,  
And to help us to never give up.

So, to all the fathers out there,  
We thank you for your love and care.  
You are the rocks on which we stand,  
And we are forever grateful for your  
guiding hand.

## HEALTH AND WELLNESS

In today's fast-paced and hectic world, it's easy to get caught up in the chaos and neglect our well-being. However, in order to live life to the fullest, it is imperative for us to take care of our physical, mental, and emotional health. It is rightly said that "Health Is Wealth". Our health is more important than wealth. A healthy body is defined as the overall ability of the body to function well.

Nothing is supreme than what our health stands at the present moment. Increasing greed of people for luxuries is making them rush for wealth creation. They fail to understand that good health is something which helps us to cope with various challenges in our life.

Healthy individuals are more productive and can contribute more to the economy whereas unhealthy individuals are mere a liability for the growth of any nation. That's why it is so important to be proactive about our health and take steps to prevent unwanted illness and diseases. Being proactive in health means taking appropriate steps to improve our health before we get sick.

### खेल-कूद: स्वस्थ जीवन का महत्व

खेल-कूद एक अहम हिस्सा है स्वस्थ जीवन का। यह हमारे शरीर को मजबूत बनाता है और दिमाग को ताजगी प्रदान करता है। खेल-कूद के माध्यम से न सिर्फ शारीरिक बल, तांदुरुस्ती और स्टैमिना बढ़ता है, बल्कि यह हमारे मनोबल को भी सुधारता है।

खेल-कूद का महत्व इस देश में हमेशा से उच्च रहा है। भारत में क्रिकेट, हॉकी, और फुटबॉल जैसे कई प्रमुख खेल प्रचलित हैं। इन खेलों के माध्यम से हम टीमवर्क, समर्पण, और जीत की भावना को सिखाते हैं।

### कविता मेरे माँ - बाप का प्रेम

हर मुसिबत तब हमारी आसान है,  
जब तक माता-पिता का हमारे घर में सम्मान है,  
हमारी आंखों में कभी आंसू आने नहीं देते हैं,  
अपने हर दुख को दिल में छुपा लेते हैं,

माँ की दुआ हमेंशा मुझसे मुसीबत से बचाती है,  
पिता की सलाह मुझे हमेंशा तरक्की दिलाती है,  
माँ हमारी सबसे बड़ी हमदर्द है,  
पिता हमारे जीवन भर के हमसफ़र है,

माँ- बाप से बढ़कर कोई भगवान नहीं,  
इनके ऋण चूका पाना ऐसा कोई धनवान नहीं,  
मुश्किल वक्त की ठोकरे लगी तब समझ आया,  
कितना जरूरी होता है सिर पर माँ बाप का साया,

गुनाहों को भूल के हमें अपना बना लेते हैं,  
जो कुछ भी हो माँ बाप सब संभाल लेते हैं,  
माँ बाप अपने प्यार को झरने की तरह बहा देते हैं,  
अपने हर दुख को अपने दिल में ही दफन कर लेते हैं,

ना जरूरत उसे पूजा और पाठ की,  
जिसने सेवा करी अपने मां बाप की,  
माँ बाप की सेवा करना हमारी किस्मत है,  
ये हमारे जीवन की सबसे बड़ी जरूरत है,

“साई! ओ साई!!” एक लड़के ने पुकारा। साई घूम पड़ा। उसने देखा कि एक 8 वर्ष का बालक उसे पुकार रहा है। आज कई दिनों बाद उसे मोहल्ले में साई दिखलाई पड़ा है। साई बैरागी था -माया नहीं, मोह नहीं।परंतु कुछ दिनों से उसकी आदत पड़ गई थी कि दोपहर को मोहन के घर जाता, अपने दो-तीन गंदे गूदड़ यत्न से रखकर उन्हें पर बैठ जाता और मोहन से बातें करता। जब कभी मोहन से गरीब और भीख मंगा जान कर, मां से अभियान करके, पिता की नजर बचाकर कुछ साग रोटी ला कर दे देता, तब उसे साई के मुख पर पवित्र मैत्री के भावों का साम्राज्य छा जाता।गूदड़ साई उसे समय 10 वर्ष के बालक के समान अभिमान, सराहना और उलाहनों के आदान-प्रदान के बाद उसे बड़े चाव से खा लेता। मोहन की दी हुई एक रोटी उसके अक्षय तृप्ति का कारण होती।

एक दिन मोहन के पिता ने उसे देख लिया। वह बहुत बिगड़े। वह यह पाशचत्य शिक्षा के रंग में रंगे हुए। ढोंगी फ़कीरों पर उनको साधारण और स्वाभाविक किढ़ थी। मोहन को डांटा कि वह इन लोगों के साथ बातें ना किया करें साई हंस पड़ा, चला गया। उसके बाद आज कई दिनों बाद साई न आया और वह जान - बूझकर उसे बालक के मकान की ओर नहीं गया; परंतु चढ़कर लौटते हुए मोहन ने उसे देखकर पुकारा और साई लौट आया।

"मोहन!"

"तुम आजकल आते नहीं?"

"तुम्हारे बाबा बिगड़ते थे।"

नहीं, तुम रोटी ले जाया करो।

"भूख नहीं लगती।"

"अच्छा, कल जरूर आना, भूलना मत!"

इतने में एक दूसरा लड़का साई का गूदड़ खींच कर भागा। गोदड़ लेने के लिए साई उसे लड़के के पीछे बैठा। मोहन को पता चला, साई आंखों से ओझल हो गया। चौराहे तक दौड़ते दौड़ते साई को ठोकर लगी, वह गिर पड़ा, सर से खून बहाने लगा। खिझाने के लिए जो लड़का उसका गूदड़ लेकर भागा था, वह डरकर ठिठक गया।दूसरी ओर से मोहन के पिता ने उसे पकड़ लिया और दूसरे हाथ से साई को भी पकड़ कर उठाया। नटखट लड़के के सर पर चपत पड़ने लगी साई उठकर खड़ा हो गया।

"मत मारो, मत मारो, चोटआई होगी!" साई ने कहा और लड़के को छुड़ाने लगा। मोहन के पिता ने साई से पूछा-" तब चिथड़े के लिए दौड़ते क्यों थे?"

सिर्फ फटने पर भी जिसको रुलाई नहीं आई थी, वही साई लड़के को रोते देखकर रोने लगा। उसने कहा -"बाबा, मेरे पास दूसरी कौन वस्तु है, जिसे देकर इन ' रामरूप 'भगवान को प्रसन्न करता?"

"तो क्या तुम इसलिए गूदड़ रखते हो?"

" इस चित्र को लेकर भागते हैं भगवान, और मैं उनसे लड़कर छीन लेता हूं, रखता हूं फिर उन्हीं से छिनवाने के लिए। उनके मनोविनोद के लिए। सोने का खिलौना तो उचक्के भी छीनते हैं, पर चित्रों पर भगवान ही दया करते हैं"—इतना कह कर बालक का मुंह पोंछते

हुए मित्रके सम्मान गल वार्हीं डाले हुए साईचला गया।

मोहन के पिता आश्चर्यसे बोले—"गूदड़ साई! तुम निरे गूदड़ नहीं; गुदड़ी के लाल हो!!"

## وقت کی پابندی

جو لوگ وقت کی قدر نہیں کرتے ہیں وقت ان کا کبھی انتظار نہیں کرتا ہے اور وہ وقت سے کوسوں دور رہ جاتے ہیں۔ وقت پر ہی سارے کام کرنے چاہیے تاکہ ہم وقت کے ساتھ ساتھ چل سکے وقت ایک عظیم دولت ہے۔ ہمیں کبھی بھی آجکا کام کل پر نہیں چھوڑنا چاہیے یہ وقت کی پابندی ہے جیسے وقت پر طالب علم اگر سکول نہ جائے تو تعلیم حاصل نہیں کر سکتے۔ دنیا میں کامیاب زندگی گزارنے کے لیے وقت پر کام کرنا بہت ضروری ہے۔ خدا نے بھی ہمیں وقت کی پابندی کا حکم دیا ہے۔ اصل دولت روپیہ پیسہ نہیں بلکہ وقت ہی انسان کی اصل دولت ہے۔ جس انسان نے وقت کی قدر کر لی وہ دنیا میں کامیاب ہو گیا۔

## محنت

محنت کامیابی کی کنجی ہے۔ جو لوگ محنت نہیں کرتے وہ کبھی بھی کامیاب نہیں ہوتے۔ محنت ہی سے ترقی ممکن ہوتی ہے۔ ہر روز محنت سے پڑھتے ہیں تاکہ ہم زندگی میں کچھ حاصل کر سکے۔ اور کہتے ہیں جس چیز کے لیے محنت سے کوشش کی جائے وہ ضرور حاصل ہو جاتی ہے۔ آج انسان کوئی ڈاکٹر ہے۔ کوئی ٹیچر تو کوئی کھیل میں محنت کر کے گولڈ میڈل حاصل کر کے نام روشن کر رہا ہے۔ اور یہ سب بنا محنت کے ناممکن ہے۔ میں بھی اپنے مقصد کو حاصل کرنے کے لیے خوب محنت کروں گی۔ محنت ایک ایسی چیز ہے جو زندہ رکھتی ہے اور انسان کو ترقی کے لیے آمادہ کرتی ہے۔ محنت سے جی نہیں چرانا چاہیے جو لوگ محنت نہیں کرتے بیکار بیٹھے رہتے ہیں وہ دنیا میں کبھی ترقی نہیں کر سکتے۔ اس لیے ہم سب کو زندگی میں کچھ حاصل کرنے کے لیے محنت ضرور کرنی چاہیے۔

## 1: यस्तु सञ्चरते देशान् सेवते यस्तु पण्डितान्!

**तस्य विस्तारिता बुद्धिस्तैलबिन्दुरिवाम्भसि !!**

हिन्दी अर्थ : वह व्यक्ति जो अलग – अलग जगहों या देशों में घूमता है और विद्वानों की सेवा करता है उसकी बुद्धि उसी तरह से बढ़ती है जैसे तेल का बूंद पानी में गिरने के बाद फैल जाता है.

## 2: परो अपि हितवान् बन्धुः बन्धुः अपि अहितः परः!

**अहितः देहजः व्याधिः हितम् आरण्यं औषधम् !!**

हिन्दी अर्थ : अगर कोई अपरिचित व्यक्ति आपकी सहायता करे तो उसे अपने परिवार के सदस्य की तरह ही महत्व दे वही अगर आपका परिवार का व्यक्ति आपको नुकसान पहुंचाए तो उसे महत्व देना बंद कर दे. ठीक उसी तरह जैसे शरीर के किसी अंग में चोट लगने पर हमें तकलीफ पहुँचती है वही जंगल की औषधि हमारे लिए फायदेमंद होती है.

## 3: येषां न विद्या न तपो न दानं ज्ञानं न शीलं न गुणो न धर्मः!

**ते मर्त्यलोके भुविभारभूता मनुष्यरूपेण मृगाश्चरन्ति !!**

हिन्दी अर्थ : जिन लोगों के पास विद्या, तप, दान, शील, गुण और धर्म नहीं होता. ऐसे लोग इस धरती के लिए भार हैं और मनुष्य के रूप में जानवर बनकर घूमते हैं.

## 4: अधमाः धनमिच्छन्ति धनं मानं च मध्यमाः!

**उत्तमाः मानमिच्छन्ति मानो हि महताम् धनम् !!**

हिन्दी अर्थ : निम्न कोटि के लोगों को सिर्फ धन की इच्छा रहती है, ऐसे लोगों को सम्मान से मतलब नहीं होता. एक मध्यम कोटि का व्यक्ति धन और सम्मान दोनों की इच्छा करता है वही एक उच्च कोटि के व्यक्ति के सम्मान ही मायने रखता है. सम्मान धन से अधिक मूल्यवान है.

## 5: कार्यार्थी भजते लोकं यावत्कार्यं न सिद्धति!

**उत्तीर्णं च परे परे नौकायां किं प्रयोजनम् !!**

हिन्दी अर्थ : जिस तरह नदी पार करने के बाद लोग नाव को भूल जाते हैं ठीक उसी तरह से लोग अपने काम पूरा होने तक दूसरों की प्रशंसा करते हैं और काम पूरा हो जाने के बाद दूसरे व्यक्ति को भूल जाते हैं.

## 6: न चोरहार्यं न राजहार्यं न भ्रतृभाज्यं न च भारकारि!

**व्यये कृते वर्धति एव नित्यं विद्याधनं सर्वधनप्रधानम् !!**

हिन्दी अर्थ : इसे न ही कोई चोर चुरा सकता है, न ही राजा छीन सकता है, न ही इसको संभालना मुश्किल है और न ही इसका भाइयो में बंटवारा होता है. यह खर्च करने से बढ़ने वाला धन हमारी विद्या है जो सभी धनो से श्रेष्ठ है.

## 7: शतेषु जायते शूरः सहस्रेषु च पण्डितः!

**वक्ता दशसहस्रेषु दाता भवति वा न वा !!**

हिन्दी अर्थ : सौ लोगों में एक शूरवीर होता है, हजार लोगों में एक विद्वान होता है, दस हजार लोगों में एक अच्छा वक्ता होता है वही लाखों में बस एक ही दानी होता है.

## 8: सुखार्थिनः कुतोविद्या नास्ति विद्यार्थिनः सुखम्!

**सुखार्थी वा त्यजेद् विद्यां विद्यार्थी वा त्यजेत् सुखम् !!**

हिन्दी अर्थ : सुख चाहने वाले को विद्या नहीं मिल सकती है वही विद्यार्थी को सुख नहीं मिल सकता. इसलिए सुख चाहने वालों को विद्या का और विद्या चाहने वालों को सुख का त्याग कर देना चाहिए

## 9: चन्दनं शीतलं लोके, चन्दनादपि चन्द्रमाः!

**चन्द्रचन्दनयोर्मध्ये शीतला साधुसंगतिः !!**

हिन्दी अर्थ : इस दुनिया में चन्दन को सबसे अधिक शीतल माना जाता है पर चन्द्रमा चन्दन से भी शीतल होती है लेकिन एक अच्छे दोस्त चन्द्रमा और चन्दन से शीतल होते हैं

## EXAMINATION INCHARGE

**Preseverance and focus are the secret of success.**

The examination system is not just a test of knowledge, but it also assesses an individual's capability to interpret learning in their own language. It evaluates the persistent and consistent quality of an individual and tests their attitude towards performing under extreme pressure. Examinations examine an individual's overall personality, including their desire to learn, explore, investigate, and apply learning in real-life situations. The assessment process ensures a quality teaching and learning experience, and the examination in charge plays a crucial role in developing a standard assessment and evaluation system within an organization. Their keen observation and proper supervision help create a fair and standard assessment process. By working together with teachers, students and the prescribed course curriculum, the examination in charge draws a circle to establish a solid system that ensures quality assessment and evaluation in an academic session.
