SHEMFORD HAPPENINGS

CHAIRMAN'S Message

It is a matter of pride to pen down the message for "SHEMFORD HAPPENINGS" the newsletter of our school. My heart fills with immense pleasure as I perceive the progress being made at Shemford Futuristic School. The seeds of an idea sown years ago have quickly come to fruition and the school is growing into a strong sapling. It is the endeavor of the entire faculty to make academics a smooth journey full of joy and discovery.

The school newsletter is a platform for the students to express their creative pursuits which develop originality of thought and perception in them. The content of the newsletter reflect the wonderful creativity of thoughts and imagination of our Shemfordians. This year our students and teachers have tried to show elation of their heart through this newsletter.

The world today is changing at such an accelerated rate and our school is well equipped to prepare our children to face challenges that the future holds. We impart education to match the advancement in technology and globalization. We make our children to march ahead with moral values and principles. We constantly endeavor to install these moral and ethical qualities in our children. I extend my warm wishes to the I/C Principal, the entire faculty and my dear students to keep on moving in this journey on the road of excellence to reach pinnacle of success.

MAY THE SAPLING GROW IN TO A STURDY TREE AND SPREAD ITS BRANCHES.

Mr. Bhupinder Singh Charak
Chairman, Shemford Futuristic School

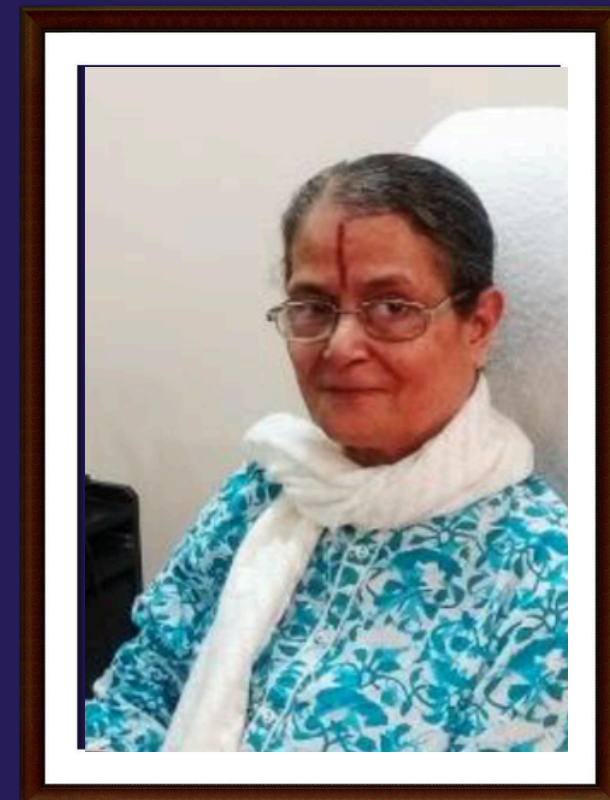

Academic Director Message

"The function of education is to teach one to think intensively and to think critically.

Intelligence plus character is the goal of true education".

Martin Luther King, Jr.

The world of 21st century is changing at an accelerated scale. It is a challenge for educators to cope with the changing world order and prepare their students for the future. It has rightly been said by Margaret mead that" Children need to be taught how to think, not what to think."

SHEMFORD FUTURISTIC SCHOOL has withstood change since its inception in 2017 and caters to the needs and aspirations of the society at large. It has always tried to inculcate creativity, critical thinking, innovation, divergent thinking along with proper values of life for its students. The school conducts an array of activities throughout the year bringing out all these skills among children.

This addition of the school "NEWSLETTER" gives space to imagination and unlocks the thoughts and values of children and staff. It unfolds a wide spectrum of creative skills which includes not only writing and designing but also editing the NEWSLETTER.

The creativity in children found "SHEMFORD HAPPENINGS" only because of strenuous efforts of the editorial board and the active participation of students, needless to say the committed and supportive management, dedicated and caring staff, cooperative parents who worked in the backdrop to bring out the best in children.

With regards.

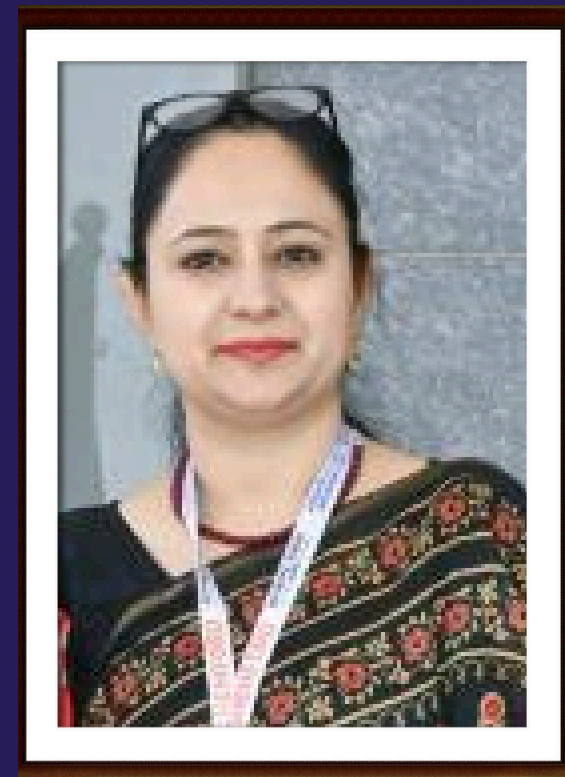

Mrs. Vijay Puri

Academic Director, SFS

I/C Principal's Message

Education is a belief that beyond the walls of power, there is a home for humanity.□

The entire purpose of education is to make our children learn to live a meaningful, happy and contented life. In this constantly changing world, we need to equip our children to keep the pace but at the same time remain rooted.

It is the time to realize and search our inner strength. World today is at the systemic breakdown and we are at the cross roads of moral dilemma. Our children need to be cautious of the seven social sins i.e Politics without principles, wealth without work, commerce without morality, education without character, pleasure without conscience, science without humanity and worship without sacrifice.

During the ongoing war between mind and materialism, we at SFS are instilling the positivity in the young hearts. We are providing them a carefree environment to uphold freedom of expression and creativity so as to enable them to build a good self image, a high self esteem and a positive attitude.

Its all due to the guidance of our worthy management, sincere efforts of staff members and unconditional support of the parents that my young shemfordians are shining brighter and brighter day by day.

I wish my children a very bright future and success in and every endeavor.

Lets be the change we wish to see in this world.

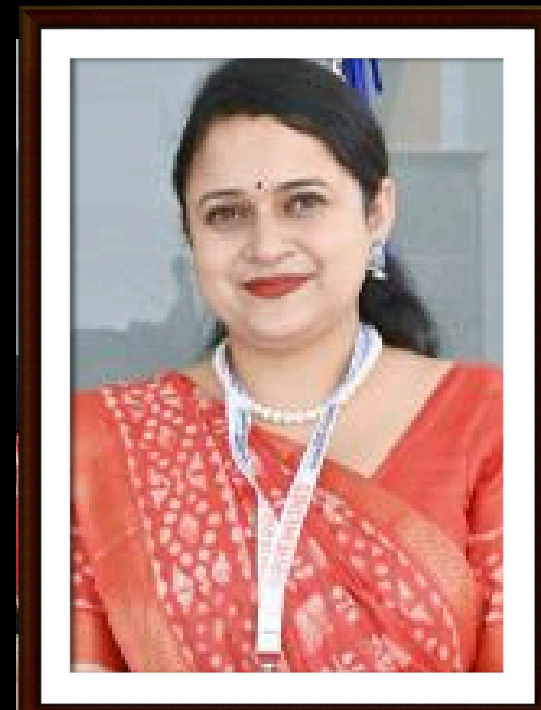

Always in peace!

**Ms. Sahrish Ismaily
I/C Principal**

Chief Editor's Message

"Helen Keller rightly says that the world is moved along not only by the mighty shoves of its heroes, but also by the aggregate of the tiny pushes of each honest worker."

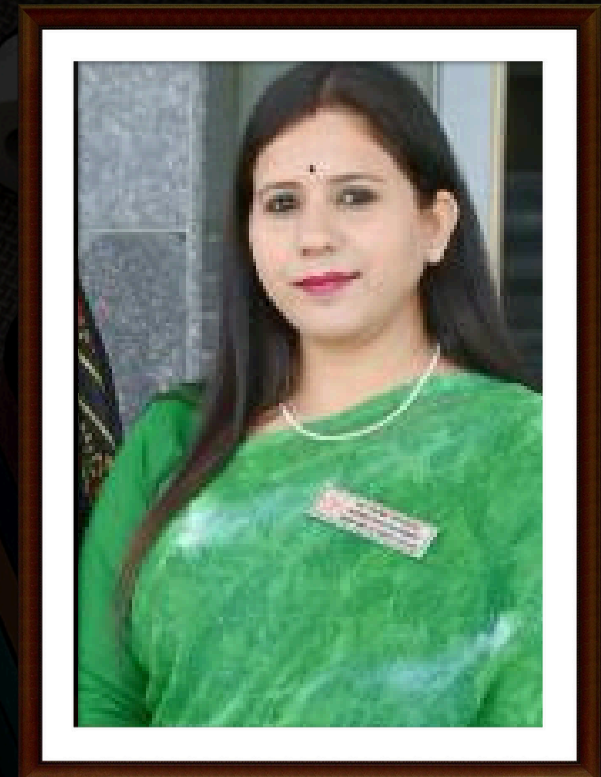

This herculean task of editing this school newsletter would not have been possible without the sincere support of the members of the Editorial Board who sorted off the articles from the flood of articles we had got from our enthusiastic and inquisitive young writers, edited them and finally made a fair draft of them. I am thankful to all my colleagues who dipped their oars into the turbulent water and have sailed it to the shore of publication. It is a fine thing to have ability but the ability to discover ability in others is the true test. I am really thankful to our school mangement for entrusting me with the responsibility of editing. I take this opportunity to thank all the dignitaries for sparing their valuable time to send their best wishes for the newsletter in the form of 'Messages'. I heartily wish all the readers my best wishes and hope this souvenir will enjoy your critical acclaim and prove itself to play a vital role in the all-round development of the children.

Ms. Ankita Choudhary
(Chief Editor)
Administrative Officer, SFS

HEADMISTRESS (Pre-wing) Message

The future will build on the firm foundation focusing on the quality of school life especially for the benefits of our little learners. We are a caring community where student needs are more prioritized and also where Indian traditional and Western educational values are respected and encouraged to co-exist.

I have always been a firm believer that a child's first experience of school is crucial for laying the foundations on which they build their future education. For us, each child is a unique entity and is treated with a lot of love and care. We understand that academic skills of children are honed once they step into 'regular school' and so the joyous task of helping children get into a fun filled routine falls in our hands!

It is in play school that the earliest 'social' interactions are initiated as the little ones make their first friends. It is here that responsibility is taught to them- in taking care of their belongings and taking pride in what they create! I ensure that the first few school years for a child and his/her parents are enriching, fulfilling and replete with happy memories!

Ms. Sushma Choudhary
Headmistress Pre-Primary

ACTIVITIES & CELEBRATIONS

THE NEW SESSION KICKS OFF AT SHEMFORD FUTURISTIC SCHOOL!

The first day of the academic session 2023-24 marked the beginning of yet another brilliant start. Beaming faces of parents, students, teachers, and staff was seen with the heartfelt welcome. "School is the temple of knowledge and learning, with this mindset all the students rang the bell while entering the school. The colourful décor lit up the spirit as the school geared up for the new session. The special assembly was organised by the teachers and the students were thrilled to see their teachers conducted the assembly like they do. I/C Principal of the school welcomed the students with her motivational thoughts.

Also lot many fun activities were planned for the students to make this day the most memorable day for them.

THE FIRST DAY OF SCHOOL IS ALWAYS COOL

Smiling faces and shining eyes mesmerized all of us.

School is an exciting milestone for the students as they step into a new journey of learning and discoveries. Just like blooming flowers our little Stars were welcomed with great enthusiasm and fervour.

The first day of the children was full of fun. They danced, enjoyed and had fun-filled games which added smiles to their beautiful faces.

Foundation Day.

A school of the stature and reputation of Shemford Futuristic school is not built in a day. It has taken all these years of dedication and single minded commitment by many, to create the distinctive aura and reputation that we all enjoy today and are so proud of.

Shemford futuristic School celebrated its 6th Founder's Day, by conducting thr special assembly to commemorate its legacy and success with enthusiasm and exuberance.

The assembly began with the lighting of the ceremonial lamp by all the important heads of the school.

There was a lot of excitement among the students who were a part of this extravagant assembly . On behalf of the management Mr. Bupinder Singh Charak, the Founder & Chairman of the school and Mrs. Vijay Puri - Academic Director; I/C Principal Ms. Sahrish Ismaily expressed the gratitude towards the staff & proud to see school coming such a long way since its inception.

She further added that the school is committed to strive with undoubting spirit, courage of conviction for excellence for the enlistment.

She reminded the students and staff of the humble beginning and the long distance the school has traversed.

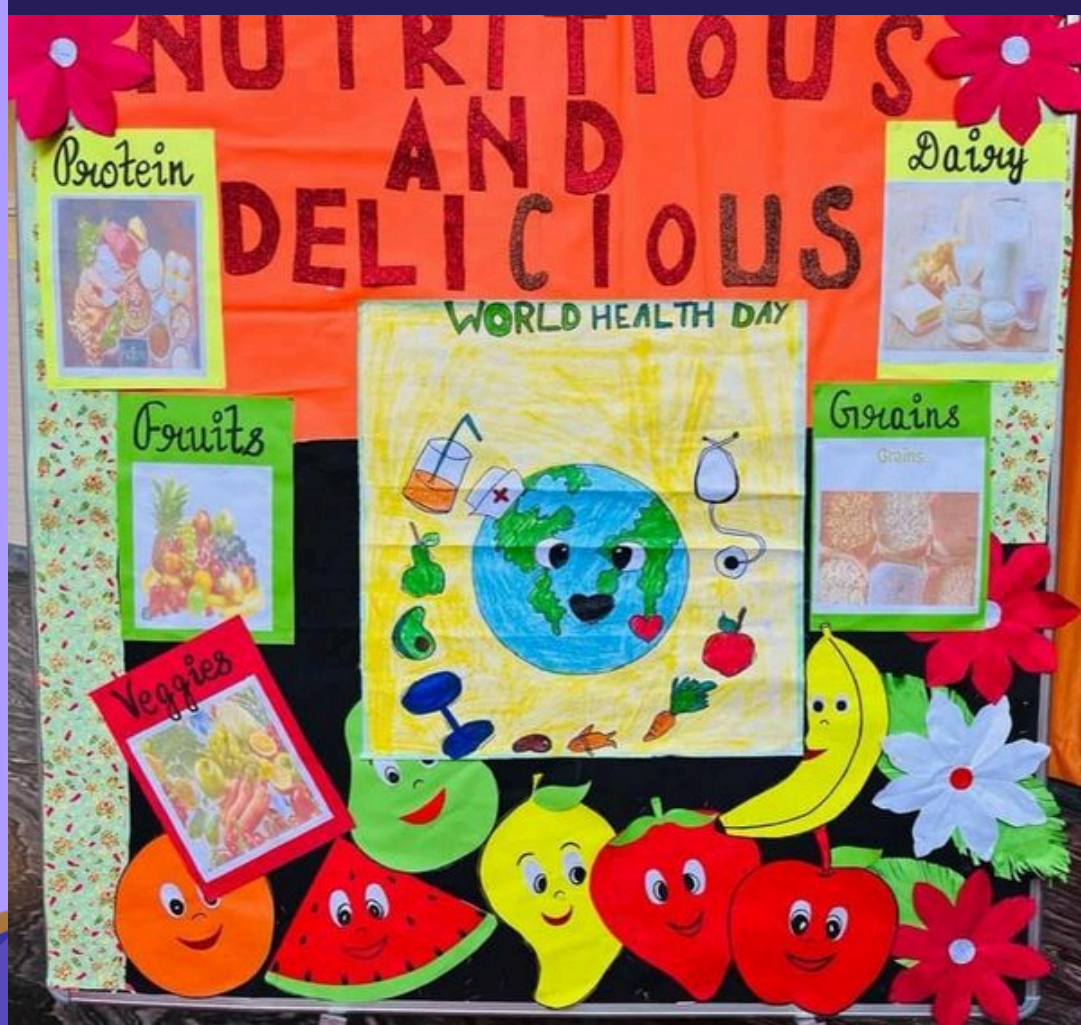

BAISAKHI CELEBRATION

In keeping with our tradition of celebrating all festivals with fervour and gaiety, the children of Shemford Futuristic school organised a special assembly to mark Baisakhi celebrations. Baisakhi is a festival that marks the onset of a new season. It is also a time to reap crops and therefore, an occasion for celebration. The children came forward by turn to speak about this important festival. April 13th is also the day on which Guru Gobind Singh, the tenth Sikh Guru laid the foundation of the 'Khalsa Panth'. The children spoke about the contributions of this historical figure to the Sikh community. Gurbani along with a lively Punjabi folk dance was also presented by the children to the beats of the dhol. It was a treat to see the children performing, dressed in traditional vibrant Punjabi attire.

WORLD HEALTH DAY CELEBRATION

World Health Day was celebrated in the Shemford Futuristic School wherein students were sensitized to remain healthy by eating nutritious food, fruits and vegetables. They were made aware about the importance of physical exercises like yoga, dancing and aerobics to remain fit & active. They were also conveyed the message of healthy eating habits..

AMBEDKAR JAYANTI

Dr. B. R. Ambedkar Jayanti is observed on 14 April to commemorate the memory of B. R. Ambedkar, Indian politician and social reformer. To honour his contribution and service to the country, our students conducted a special morning "assembly where they presented speech, poem and delivered the slogans and quotes of Dr B. R. Ambedkar.....

WORLD HERITAGE DAY

Shemford Futuristic School celebrated April 18, 2023 as the "World Heritage day" also known as "The International day for monuments and sites". PARENT INTERACTION

The positive connection between parents and teachers ensures students' unique trust in their teachers; by seeing both the parties invested in their development, students work more to reach their academic goals.

It makes it easier for teachers to communicate with the parents about any issue related to their child. Keeping this in mind school organised one Parent Interaction Meeting with I/C Principal of the school Ms. Sahrish Ismaily along with the Academic Coordinator and the teachers. The main purpose of this meet was to discuss the child's overall personality development, child's academic ability, classroom behaviour, social interaction.

Parents shared their views and had a healthy discussion.

CALLIGRAPHY COMPETITION

Workshop on G-20

"Whether it is peace or unity, sensitivity towards the environment or sustainable development, India 🇮🇳 has solutions to challenges related to these."

Today, Shemford Futuristic School Birpur, Jammu has organised a Workshop on G-20 (Group of 20) for the students of Grade VIII- X to educate and sensitize them about the G20 and its significance under India's presidency. The main objectives of the workshop is to Create an awareness on the importance of protecting our environment and its need for human coexistence. Promoting understanding among citizens about the Millennium Development Goals and the sustainable development and their role in an environment friendly life. It also aims to learn about India's initiative on environmental concerns globally and India's role in the G20 for the protection of environment. Students have enthusiastically participated in the workshop and got enlightened regarding G20.

LABOUR DAY

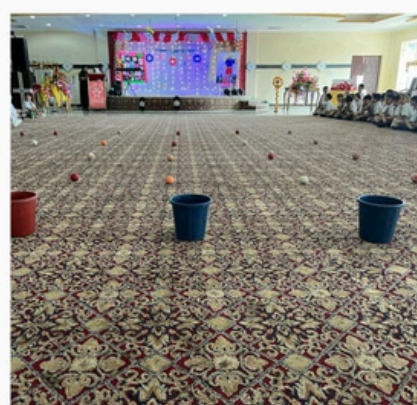

Labour is the ladder through which human dignity and creative excellence are expressed”
To commemorate the LABOUR DAY and to appreciate and thank the selfless service of the support staff who work with utmost dedication to ensure hygiene and security, Shemford Futuristic School, Jammu celebrated labour day with full zeal on Monday, 1st May’ 23.

The programme began with the lighting of lamp by the Senior support staff. To make the day special and as a mark of respect, Shemfordian presented a token of love through the plethora of activities and melodious songs and honoured their contribution towards the betterment of the school and society in general.

Few games like musical chair, blowing of balloons, tug of war and throwing ball in the basket were also arranged for the helping hand staff. The workers were overwhelmed watching the show and were shimmering in Pride.

Our Academic Director, Ms. Vijay Puri, congratulated the support staff for their selfless services and felicitated them for the hard toil put in by them throughout the year. She also focused on the priceless contribution of the support staff to the smooth functioning of the institution. All they were awarded with a token of love and gifts.

The program was also witnessed by Ms Sahrish Ismaily- I/C Principal SFS, Ms. Ankita Choudhary-Administrative Officer SFS and Ms. Sushma Choudhary- Pre-primary Headmistress SFS.

The new session began with a bang of cheering noise for all SHEMFORDIAN'S as our school is awarded with "GLOBALLY ACCLAIMED INSTITUTION" award 2023 by CED Foundation at 14th National EDU Summit held on 30th April 2023. Congratulations to all SHEMFORDIAN'S! May the Almighty God continue to bless us all.

Workshop on CHANGES IN TRENDS IN EDUCATION.

Today, SHEMFORD FUTURISTIC SCHOOL, Birpur JAMMU organized a workshop on changes in Trends in Education according to NEP 2020. The honorable Guest speaker Mrs. Usha Pathania (Director Academics, Mahatattava) enlightened our faculty about the strategies to be employed by the teachers within the classroom. The entire programme was co-ordinated with the motivation and guidance of Mrs. Vijay Puri, Academic Director, SFS.

Press Freedom Day

"The freedom of the human mind is recognized in the right to free speech and free press."*

The United Nations General Assembly declared May 3 to be World Press Freedom Day or just World Press Day, observed to raise awareness of the importance of freedom of the press and remind governments of their duty to respect and uphold the right to freedom of expression.

Today, on the occasion of 🌍 World Press Freedom Day, Students of Shemford Futuristic School Birpur, Jammu have visited the Times Now Channel. The Students had the opportunity to meet with Reporters and Anchors of the Channel. They also have the chance to watch live news broadcast from the News Studio. The Students interacted with Mr Pradeep Dutta (Senior Editor) to know about various aspects of reporting and Camera. Students have also actively participated and demonstrated how to report an event and they have also got the chance to watch Outside Broadcasting Van. It was a great and wonderful experience for the Students..

SEA Grade VI

Shemford Futuristic School, Jammu conducted Subject Enrichment Activity (SEA) today for Grade 6 on Science subject whose topic was "Classification of fabrics" in which students classified fabric on the basis of woven and non-woven fabrics .

Fabrics are classified as: i) Structure ii) Texture. From the Engineer's viewpoint, fabrics are classified into: i) Width/Breadth, ii) Length, iii) Yarn size, iv) Weight, v) Thickness,vi) Setting, vii) Face. From Standard viewpoint, fabrics are classified as i)Set, ii) Weight, iii) Strength, iv) Condition, v) Application or End use.

SEA Grade VII

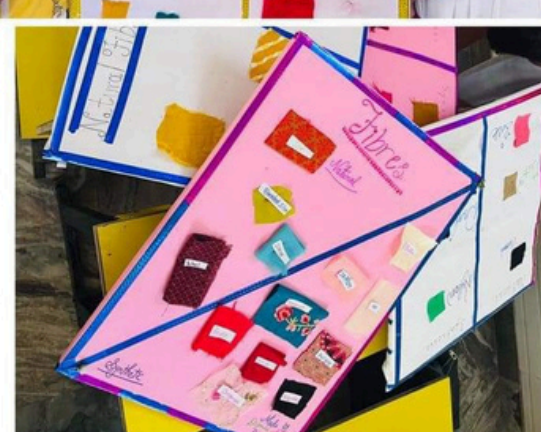

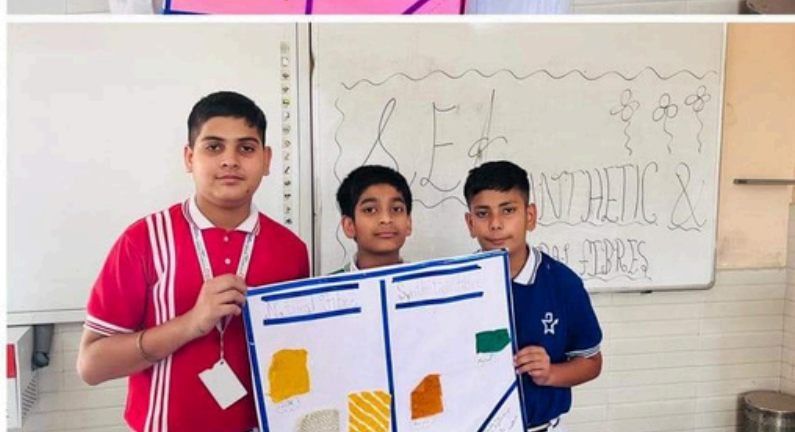

Shemford Futuristic School, Jammu conducted Subject Enrichment Activity (SEA) today for Grade VII on topic - Digestion in humans in which students made a model of human digestive system keeping in view the various body parts involved in digestion and explained the function of each part which is involved in digestion.

This activity aims to express the human digestive system's role in food digestion and importance of digestion .

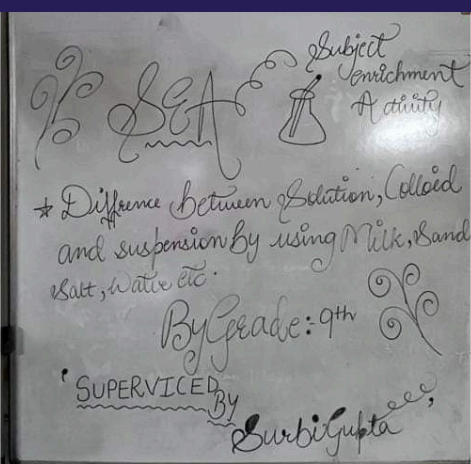

SEA Grade VIII

Today Shemford Futuristic school ,Jammu conducted Subject Enrichment Activity (SEA) of science for Grade VIII on the topic “Synthetic and Natural fibres” in which students learnt about differentiation between natural and synthetic fibres. Hands-on activity is the best learning

SEA Grade IX

Subject Enrichment Activity (SEA) of science for Grade IX on the topic “Differentiate between solution, colloid and suspension” in which student performed an activity with the help of milk , sand , salt , water , sugar etc. Student learnt about homogenous and heterogenous solution and tyndall effect. A true solution is a homogeneous mixture of two or more substances. Learning by doing is important to have the conceptual clarity . “ Practical learning” is the best learning.

Social Science Week

Education is not only learning of facts but training of minds to think.

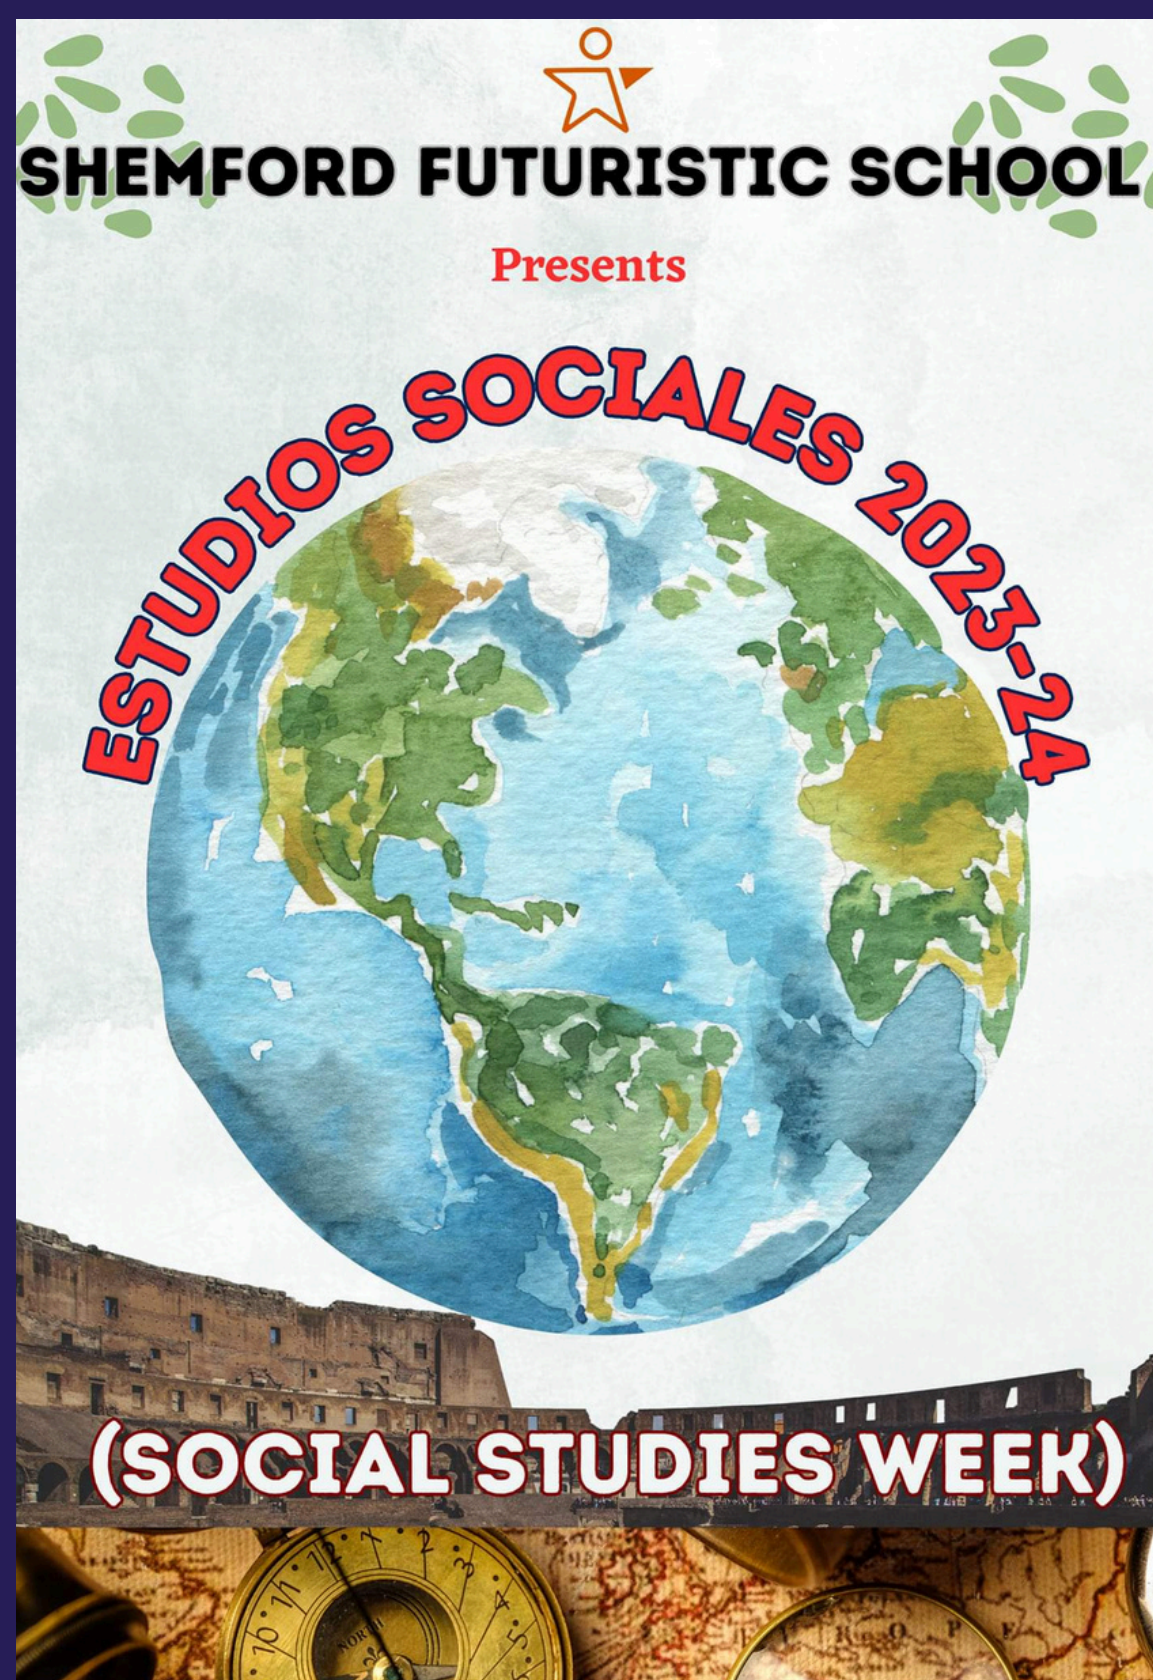

To make learning a joyous experience, Social Science week is being observed in Shemford Futuristic School from 9th May to 13th May. To celebrate Social Science week BROCHURE MAKING activity was conducted today for Grade X on the theme "JAMMU AND KASHMIR TOURISM" where students came up with their research work and creativity.

It was an interdisciplinary activity where students enjoyed by designing beautiful brochures !!!

The essence of a role-playing game is that it is a group, cooperative experience.

To make learning a joyous experience, Social Science week is being observed in Shemford Futuristic School from 9th May to 13th May. To celebrate Social Science week ROLE PLAY ACTIVITY was conducted today for Grade VI on the theme PANCHYATI RAJ. Role-play is any speaking activity when you either put yourself into somebody else's shoes, or when you stay in your own shoes but put yourself into an imaginary situation! Students have participated very enthusiastically and performed it beautifully..

Model making helps the students to learn the basic concept more clearly. Moreover they also help to develop the analytical skills of students.

Learning by doing is a better way to learn than the lecture method. Along with the basic concept the students get a chance to explore new ideas which they can correlate with their practical life also.

Students of Grade VII have made the 3D models of *Interior of the earth.* 🌍 It helped them to learn the structure more interestingly.

HAPPY MOTHER'S DAY

Healthy and Unhealthy food.

Shemford futuristic School Jammu conducted Subject Enrichment activity today for Grade III on topic Healthy and Unhealthy food.

Where students learnt about different types of foods like healthy and unhealthy

Also they learnt that eating does not mean having only boiled meals, eating less, or saying no to fat. Healthy food habits involve switching to a well-balanced, nutritious diet, i.e., eating everything in the right amount and at the right time and with the right combination. Maintaining a balance in your food consumption and eating in moderation will help you in the long run. Don't completely exclude fats or overdo the fibers and proteins!

Heartiest Congratulations !

"The road to success is paved with consistent hard work and resilience"

It is a glorious moment that swells our heart with pride as our shining SHEMFORDIANS bring laurels home and scale new heights;

STUDENT COUNCIL ELECTION

"Voting is not just a right, it's a duty and responsibility"

After Convassing campaign the students of our school were eager to caste their votes so that they can choose their favourite contestant. Today the process of voting was made interesting and engaging by creating a one-of-a-kind polling booth that featured innovative designs and decorations, making it an impressive sight to behold, The voting system was fair and transparent, giving every student the opportunity to cast his or her vote. The contestants had put in a lot of effort and campaigned well to convince their peers to vote for them. The school administration had also done a great job of ensuring that the candidates adhered to election guidelines and rules.

Students were excited and eager to cast their ballots and play their role in choosing the school's next head boy and girl. The queues at the polling booth were testament to the enthusiasm and eagerness of all the students. The creative display and personalization at the polling booth theme made the environment festive and engaging. The booths were set up with ballot boxes and printed ballots for voters to cast their votes. It was a great learning experience for everyone. The students learnt the importance of being informed, how to choose their leaders wisely and understand the role of democracy in society. After casting their votes for head boy and head girl in school, the students felt a sense of satisfaction for participating in the democratic process. Overall, it was a great opportunity to promote student leadership and build a culture of inclusivity, where every student's voice is heard and respected.

FIELD TRIP

Going on a field trip enhances critical thinking skills and gives students a chance to think about a topic or theme from a different perspective. On 29th May, 2023 a field trip to Aquarium was organized by Shemford Futuristic School to encourage the students to explore the underwater world. The children had a prodigious time. The students were elated to see different types of fishes and the teacher helped them identify different types of fishes. The students loved the ambience and the time inside observing aquatic. The field trip was not only a lot of fun but also a cherished learning experience for the students.

PTM

"Connecting home and school makes us a great community of learners!"

Today Shemford Futuristic School conducted Parent-Teacher Meeting. The meeting was held to discuss the academic progress and personal development of each student with their parents. The school was buzzing with excitement as parents arrived, eager to meet their child's teachers and gain insight into their academic performance. The meeting was well-organized and every teacher was present in their respective classrooms to discuss the progress of each student. The teachers took the opportunity to discuss the students' academic performance, behaviour, and participation in extracurricular activities. They also shared strategies to help the students improve in their weaker subjects. The parents asked questions and shared valuable feedback, making the meeting a successful interaction between parents and teachers.

Overall the Parent-Teacher Meeting was a success in providing parents with a clear understanding of the academic progress of their Children. The school's emphasis on the holistic growth of each student was highly appreciated by parents. Such engagements between parents and teachers are vital for the overall development of students.

Book Fair

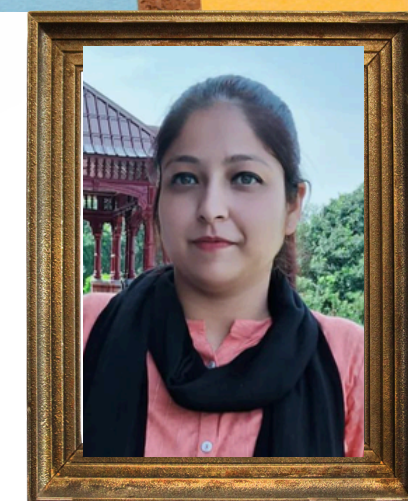

“There are many little ways to enlarge your child’s world. Love of books is the best of all.” - Jacqueline Kennedy Onassis.

Shemford Futuristic School believes in imparting best of habits to its students. The habits that are formed at an early age are hard to break. Reading good books is one such habit that can help a person reach the zenith of achievement yet stay grounded. The school organized a Book Fair to encourage the reading habits among students. The students spent a good time browsing the books in the book fair and participating in various activities designed in the library. The students of Class 1&2 read story books under the DEAR programme where in they dropped every thing to read. The students from class III – X selected the books of various genre to kindle their reading abilities. The avid readers from VI – VIII participated in activities like creating their own cartoon strips in their ‘Budding Authors’ programme. The ‘Magician of Words’ saw the students of class VI create the Cover Page after reading their favourite novel and giving the book review. The students of class VII created their enriching Encyclopedia in their activity ‘Enterprising Creators’. The students of class III – V learnt the art of expression through the Book Reviews of the books written by their favorite authors.

The Book fair will be concluded on 31st May 2023 on the PTM where students will be getting the opportunity to buy their favourite and choosen books. The voracious readers bought the books to satisfy their thirst for knowledge and flight of imagination. The Academic Director Mrs. Vijay Puri I/C Principal Ms. Sahrish Ismaily , Administrative Office Ms. Ankita Choudhary and Headmistress Pre primary wing Ms. Sushma Choudhary inaugurated the book fair and encouraged students to develop the habit of reading. They were thrilled to see the students engaged in cultivating their reading habits.

SOCIAL MEDIA

Social media is a tool that is becoming quite popular these days because of its user-friendly features. Social media platforms like Facebook, Instagram, Twitter and more are giving people a chance to connect with each other across distances. In other words, the whole world is at our fingertips all thanks to social media. The youth is especially one of the most dominant users of social media. All this makes you wonder that something so powerful and with such a massive reach cannot be all good. Like how there are always two sides to a coin, the same goes for social media. Subsequently, different people have different opinions on this debatable topic. So, in this essay on Social Media, we will see the advantages and disadvantages of social media.

When we look at the positive aspect of social media, we find numerous advantages. The most important being a great device for education. All the information one requires is just a click away. Students can educate themselves on various topics using social media.

Moreover, live lectures are now possible because of social media. You can attend a lecture happening in America while sitting in India. You are always updated on the latest happenings of the world through it. A person becomes more socially aware of the issues of the world.

Despite having such unique advantages, social media is considered to be one of the most harmful elements of society. If the use of social media is not monitored, it can lead to grave consequences.

It is harmful because it invades your privacy like never before. The oversharing happening on social media makes children a target for predators and hackers. It also leads to cyberbullying which affects any person significantly. Next up is the addiction of social media which is quite common amongst the youth.

This addiction hampers with the academic performance of a student as they waste their time on social media instead of studying. Social media also creates communal rifts. Fake news is spread with the use of it, which poisons the mind of peace-loving citizens.

surely social media has both advantages and disadvantages. But, it all depends on the user at the end. The youth must particularly create a balance between their academic performances, physical activities, and social media. Excess use of anything is harmful and the same thing applies to social media. Therefore, we must strive to live a satisfying life with the right balance.

Child Labour

Child labour refers to the employment of children in any work that deprives them of their childhood, interferes with their ability to attend regular school, and that is mentally, physically, socially or morally dangerous and harmful. In villages, it is a common sight to see children of poor families working in fields or elsewhere to contribute to the family income. Such children are deprived of opportunities of education and are also prone to health risks.

In a sense, child labour is open exploitation as it deprives children of education and pushes them into exploitative situations. The side-effects of working at a young age are: risks of contracting occupational diseases like skin diseases, diseases of the lungs, weak eyesight, TB etc.; vulnerability to sexual exploitation at the workplace; deprived of education. They grow up unable to avail development opportunities and end up as unskilled workers for the rest of their lives.

According to Article 23 of the Indian Constitution any type of forced labour is prohibited. Article 24 states that a child under 14 years cannot be employed to perform any hazardous work. Similarly, Article 39 states that "the health and strength of workers, men and women, and the tender age of children are not abused". In the same manner, Child Labour Act (Prohibition and Regulation) 1986 prohibits children under the age of 14 years to be working in hazardous industries and processes. Child Labour (Prohibition & Regulation) Amendment Act 2016 prohibits the employment of Children below 14 years in all employment and with the provisions for prohibition on employment of adolescents (14-18 Years) in the scheduled hazardous occupations and processes.

The Short-tempered Demon

Once upon a time, there was a very short-tempered demon. He would get angry at the smallest things. When angry, he had no control over his actions. One day, the demon decided to make for himself a beautiful tree house for

the summer. He worked hard for ten days. On the eleventh day, a beautiful tree house was ready on the tallest tree of the jungle. Just when the demon was giving it the final touches, a pigeon flying above him dropped a worm on his shoulder.

The demon was furious and started chasing the pigeon. After a long chase the tired pigeon sat on top of a tree. The demon was so blinded by rage that he didn't realise that it was the same tree with his precious tree house. He lashed out at it and his beautiful tree house came crashing down along with the tree.

Thoughtless anger can cause serious damage.

*अरस्तू के सर्वश्रेष्ठ शैक्षिक उद्धरणों में से एक, यह कथन केवल उस संघर्ष की वास्तविकता को व्यक्त करता है जिसे हर कोई शिक्षा प्राप्त करने के वर्षों के दौरान झेलता है। जबकि आपको रास्ते में कई संघर्षों और बाधाओं का सामना करना पड़ सकता है, केवल एक चीज जो आपको यह सुनिश्चित करने की आवश्यकता है कि आप इसे अपना सर्वश्रेष्ठ दे रहे हैं। अपनी गलतियों के साथ-साथ आपके सामने आने वाली कठिनाइयों से सीखें क्योंकि ये सभी आपके कौशल और क्षमताओं को निखारेंगे और अंततः आपको एक बेहतर और सीखा हुआ व्यक्ति बनाएंगे।

"सफल और असफल लोग अपनी क्षमताओं में बहुत भिन्न नहीं होते हैं। वे अपनी क्षमता तक पहुँचने के लिए अपनी इच्छाओं में भिन्न होते हैं"- जॉन मैक्सवेल

*सफल और असफल लोगों के बीच एकमात्र महत्वपूर्ण अंतर यह है कि पहले वाले वे दृढ़ निश्चयी और मजबूत नेतृत्व वाले लोग होते हैं, जो अपने निर्धारित लक्ष्यों को प्राप्त करने के लिए अपना सर्वश्रेष्ठ प्रयास करते हैं, जबकि बाद वाले अपने उद्देश्यों को प्राप्त करने के लिए दृढ़ता की कमी रखते हैं। जो आप हमेशा से चाहते हैं उसे प्राप्त करने का प्राथमिक चरण उस पर अपना ध्यान केंद्रित करना और लक्ष्य के रूप में लगातार उसका पीछा करना है। जब यह विश्लेषण करने की बात आती है कि वे सफल हैं या असफल, तो कड़ी मेहनत और दृढ़ संकल्प ही एकमात्र विशिष्ट कारक हैं। सर्वश्रेष्ठ शैक्षिक उद्धरणों में से होने के नाते, यह आपको अपने लक्ष्यों के बारे में भावुक होना सिखाता है ताकि उन्हें निश्चित सफलता में बदल दिया जा सके।

"महत्वपूर्ण बात यह नहीं है कि हर बच्चे को पढ़ाया जाना चाहिए, बल्कि हर बच्चे को सीखने की इच्छा दी जानी चाहिए।" - जॉन लुबॉक

*इंग्लैंड के प्रसिद्ध परोपकारी लोगों में से एक ने कहा, यह उन शैक्षिक उद्धरणों में से है जो विषयों को रटने के पारंपरिक सीखने के तरीकों का मुकाबला करते हैं। लुबॉक ने स्पष्ट किया है कि बच्चों को किसी विशेष विषय का अनिवार्य रूप से अध्ययन करने के बजाय, उनके सीखने के अनुभव पर ध्यान केंद्रित करना चाहिए कि बच्चों को क्या और कैसे पढ़ाया जा रहा है। शिक्षकों की यह सुनिश्चित करने में महत्वपूर्ण भूमिका होती है कि वे अपने छात्रों को केवल कक्षा में सीखने तक सीमित करने के बजाय ज्ञान के लिए प्रयास को प्रज्वलित कर रहे हैं।

"जो आप नहीं कर सकते, उसे आप जो कर सकते हैं उसमें हस्तक्षेप न करने दें।" - जॉन वुडन

* शिक्षण सबसे महान और निस्वार्थ व्यवसायों में से एक है। शिक्षक अपने छात्रों को बेहतर इंसान और महान शिक्षार्थी बनाने के लिए कई रचनात्मक और नवीन विधियों के माध्यम से सर्वोत्तम व्यावहारिक और नैतिक ज्ञान प्रदान करने का प्रयास करते हैं। जबकि शैक्षिक उद्धरण आपको महान व्यक्तित्वों से कुछ बुद्धिमान सबक प्रदान करते हैं, हर किसी के जीवन में एक नायक या कई सलाहकार होते हैं जिन्हें वे देखते हैं। ये शिक्षक केवल वे नहीं हैं जिनसे आप अपनी शैक्षणिक यात्रा में मिलते हैं, बल्कि जीवन भर, चाहे वह आपके बुजुर्ग हों या वे जिन्होंने आपको जीवन में महत्वपूर्ण ज्ञान प्रदान किया।

"जो हम खुशी से सीखते हैं उसे हम कभी नहीं भूलते।" — अल्फ्रेड मर्सिएर

*इस कथन के माध्यम से, अल्फ्रेड मर्सिएर का उद्देश्य यह बताना है कि हमें सीखने की प्रक्रिया को चार दीवारों तक सीमित नहीं करना चाहिए और इसे और अधिक मनोरंजक बनाना चाहिए। यह निश्चित रूप से एकतरफा प्रक्रिया नहीं है, छात्रों और शिक्षकों दोनों को एक दूसरे से बातचीत करने और सीखने के लिए मिलना चाहिए। इंटरैक्टिव कक्षाओं के साथ, सीखने की प्रक्रिया को मज़ेदार बनाया जा सकता है और इस तरह छात्रों को पारंपरिक रूप से कठोर सीखने के माहौल की तुलना में बहुत अधिक ज्ञान बनाए रखने को मिलेगा। किसी चीज़ को मज़ेदार तरीके से सीखना उसे रटने के बजाय उसे बनाए रखने का एक बेहतर तरीका है।

महिला सशक्तिकरण: लैंगिक समानता की ओर एक कदम

लैंगिक असमानता भारत में मुख्य सामाजिक मुद्दा है जिसमें महिलाएँ पुरुषवादी प्रभुत्व देश में पिछड़ती जा रही हैं। पुरुष और महिला को बराबरी पर लाने के लिये महिला सशक्तिकरण में तेजी लाने की जरूरत है। सभी क्षेत्रों में महिलाओं का उत्थान राष्ट्र की प्राथमिकता में शामिल होना चाहिये। महिला और पुरुष के बीच की असमानता कई समस्याओं को जन्म देती है जो राष्ट्र के विकास में बड़ी बाधा के रूप में सामने आ सकती है। ये महिलाओं का जन्मसिद्ध अधिकार है कि उन्हें समाज में पुरुषों के बराबर महत्व मिले। वास्तव में सशक्तिकरण को लाने के लिये महिलाओं को अपने अधिकारों से अवगत होना चाहिये। न केवल घरेलू और पारिवारिक जिम्मेदारियों बल्कि महिलाओं को हर क्षेत्रों में सक्रिय और सकारात्मक भूमिका निभानी चाहिये। उन्हें अपने आस-पास और देश में होने वाली घटनाओं को भी जानना चाहिये।

महिला सशक्तिकरण में ये ताकत है कि वो समाज और देश में बहुत कुछ बदल सकें। वो समाज में किसी समस्या को पुरुषों से बेहतर ढंग से निपट सकती हैं। वो देश और परिवार के लिये अधिक जनसंख्या के नुकसान को अच्छी तरह से समझ सकती हैं। अच्छे पारिवारिक योजना से वो देश और परिवार की आर्थिक स्थिति का प्रबंधन करने में पूरी तरह से सक्षम हैं। पुरुषों की अपेक्षा महिलाएँ किसी भी प्रभावकारी हिंसा को संभालने में सक्षम हैं चाहे वो पारिवारिक हो या सामाजिक।

महिला सशक्तिकरण के द्वारा ये संभव है कि एक मजबूत अर्थव्यवस्था के महिला-पुरुष समानता वाले देश को पुरुषवादी प्रभाव वाले देश से बदला जा सकता है। महिला सशक्तिकरण की मदद से बिना अधिक प्रयास किये परिवार के हर सदस्य का विकास आसानी से हो सकता है। एक महिला परिवार में सभी चीजों के लिये बेहद जिम्मेदार मानी जाती है अतः वो सभी समस्याओं का समाधान अच्छी तरह से कर सकती है। महिलाओं के सशक्त होने से पूरा समाज अपने आप सशक्त हो जायेगा।

मनुष्य, आर्थिक या पर्यावरण से संबंधित कोई भी छोटी या बड़ी समस्या का बेहतर उपाय महिला सशक्तिकरण है। पिछले कुछ वर्षों में हमें महिला सशक्तिकरण का फायदा मिल रहा है। महिलाएँ अपने स्वास्थ्य, शिक्षा, नौकरी, तथा परिवार, देश और समाज के प्रति जिम्मेदारी को लेकर ज्यादा सचेत रहती हैं। वो हर क्षेत्र में प्रमुखता से भाग लेती हैं और अपनी रुचि प्रदर्शित करती हैं। अंततः कई वर्षों के संघर्ष के बाद सही राह पर चलने के लिये उन्हें उनका अधिकार मिल रहा है।

स्वास्थ्य

स्वास्थ्य मनुष्य का सबसे बड़ा धन होता है। इसके बिना मनुष्य की हर खुशी अधूरी होती है। स्वस्थ व्यक्ति वह होता है, जो शारीरिक व मानसिक दोनों रूप से तंदुरुस्त हो।

स्वस्थ व्यक्ति के शरीर में ही स्वस्थ मस्तिष्क का विकास होता है। स्वास्थ्य से ही हम अपने जीवन में सफलता प्राप्त कर सकते हैं। यदि हम स्वस्थ नहीं हैं, तो हमारे पास कितनी भी सम्पत्ति क्यों न हो, लेकिन हम उसका सुख नहीं ले सकते हैं।

स्वास्थ्य मनुष्य के लिए काफी महत्वपूर्ण होता है। स्वस्थ व्यक्ति ही किसी भी कार्य को मन लगाकर करता है। स्वस्थ व्यक्ति ही जीवन में सफलता प्राप्त कर सकता है और वह ही इस जीवन का आनंद ले सकता है। अस्वस्थ व्यक्ति कभी भी अपने आसपास के जीवन का आनंद नहीं ले पाता है, क्योंकि वह अपने रोग के दुःख में ही अपना जीवन व्यतीत कर देता है।

आज हम सभी अपने जीवन में इतने अधिक व्यस्त हो गए हैं कि अपने स्वास्थ्य को अनदेखा करने लगे हैं और फ़ास्ट फ़ूड जैसी वस्तुएं खा रहे हैं। आज सभी को स्वास्थ्य के प्रति जागरूक होना आवश्यक है, जिससे लोग अपने स्वास्थ्य पर ध्यान दें और योग को अपने जीवन में अपनाएं।

संस्कृत हमारे देश की प्राचीनतम भाषा है। प्राचीन काल में सभी भारतीय संस्कृत का प्रयोग करते े।

समय के साथ, वर्तमान प्रांतीय भाषाएँ लोकप्रिय हो गईं, लेकिन संस्कृत का महत्व अभी भी बरकरार है।

सभी प्राचीन ग्रं और चारों वेद संस्कृत में हैं। संस्कृत भारत राष्ट्र की एकता का आधार है। संस्कृत

भाषा का जो रूप आज लमलता है, वही एक हजार वर्ष पूर्व े। संस्कृत का स्वरूप णवताः वैज्ञानिक है।

इसका व्याकरण णवताः ताककवक और सुरभावपत है।

आचार्यव : दांनि ठीक कहा

آج کل کے بچوں میں اچھے اخلاق نام کی کوئی چیز نہیں ہیں۔
بچے بڑوں کے سامنے بہت بری طرح سے پیش آتے ہیں یہاں
تک کہ بڑوں کو منہ پر جواب بھی دیتے ہیں اور الٹا
سیدھا بولتے ہیں سکول میں بچے اپنے استاد کی نقل کرتے
ہیں جماعت میں استاد ذرا سی بھی دیر کرتا ہے تو بچے
جماعت میں ہی قہرام مچا دیتے ہیں۔

اچھے اخلاق سیکھانہ اولین فرض والدین کا ہے کہ بچوں کو
ہمیشہ سچ بولنا سیکھائے کہ جس کسی سے گفتگو کرے تو
پتہ چلے کہ بچہ کس سکول میں پڑھتا ہے اچھے اخلاق سے
بچوں کو سماج میں بھی عزت ملے گی اور اپنے اساتذہ کی
نظر میں بھی اچھے لگے گے۔

استاد

استاد وہ چراغ ہے جو خود جل کر دوسروں کو روشنی دیتا ہے وہ آسمان کو بنانے والا ہے
وہ دوسروں کو علم دیتا ہے وہ اٹھے جہالت سے نکال کر روشنی کی طرف لاتا ہے اسی
طرح سے انہیں صحیح راہ دکھاتا ہے استاد ہی اپنے طلبہ کو جہالت کی دنیا سے نکال کر
روشنی کی طرف لاتا ہے اور انہیں ایک اور ذمہ دار شہری بناتا ہے اگر آج استاد نہ ہو تو
ہمیں صحیح راستہ دکھانے والا بھی نہ ہو اور ہم غلط راستہ پر جا سکتے ہیں اس لیے
ہمیں اپنی استاد کی عزت کرنی چاہئے ان کا احترام کرنا چاہیے اور ان کا کہنا ماننا چاہیے۔

دنیا میں کوئی بھی مذہب ایسا نہیں جو ہمیں یہ سکھائے کہ انسان کو انسان سے نفرت کرنی چاہیے۔ ہر ایک مذہب اخوت اور انسانیت کا درس دیتا ہے خدا کے بندوں سے پیار کرنے کی تلقین کرتا ہے اور یہ سکھاتا ہے کہ اپنے ہمسایوں کے ساتھ مل جل کر رہو۔

ہر مذہب ہمیں یہ بتاتا ہے کہ اچھے انسان اس مٹی سے پیار کرتے ہیں جس میں انہوں نے جنم لیا ہوتا ہے۔ جن کھیتوں، گلیوں، محلوں میں وہ کھیل کود کر پروان چڑھتے ہوتے ہیں اس علاقہ سے اس دیش سے پیار کرتے ہیں۔ جب کسی دیش کے لوگ آپس میں پیار محبت سے رہتے ہیں تو دوسرے دیشوں کے لوگ ان کی طرف آنکھ اٹھا کر بھی نہیں دیکھ سکتے اور جس دیش کے لوگ قوم، مذہب، ذات، برادری، نسل، علاقہ اور زبان کے نام پر آپس میں لڑتے ہیں اتفاق کی بجائے نفاق کے راستے پر چلتے ہیں۔ دوسرے دیشوں کے لوگ ان سے بالکل نہیں ڈرتے اور اکثر ایسا ہوتا ہے کہ غیر آکر انہیں غلام بنا لیتے ہیں۔

ہندوستان کے لوگ آپس میں لڑتے جھگڑتے رہتے تھے۔ وہ برادری، نسل، مذہب، رنگ اور زبان کی بنا پر ایک دوسرے سے نفرت کرتے تھے تو اس کا فائدہ انگریزوں نے اٹھایا اور اپنی چالاک کی ساتھ یہاں کے رہنے والوں میں نفرت کی دیواریں کھڑی کر کے آہستہ آہستہ ہمارے ہندوستان پر قبضہ کر لیا۔ وہ لڑاؤ اور راج کرو کی پالیسی پر چلتے ہوئے ہمیں لوٹتے رہے اور ہمارا خون چوستے رہے۔ اگر سب ہندوستانی اپنے آپ کو ایک دوسرے کے سکے سمجھتے تو ہندوستان نے غلام نہیں ہونا تھا اور اس وقت ہندوستان دنیا کی عظیم ترین طاقت ہوتا۔ مگر افسوس ہے کہ اتنے سالوں کی غلامی کے بعد بھی ہمیں عقل نہیں آئی۔

آج ہندوستان کا کوئی بھی اخبار اٹھا کر دیکھیں تو ایک آدھ خبر دو گروپوں کے تصادم کی ضرور نظر آئے گی۔ کہیں ہندوؤں اور مسلمانوں کے درمیان فساد ہوا ہوتا ہے تو کسی خبر میں شیعہ اور سنی مسلمانوں کے فساد کی تفصیل درج ہوتی ہے۔ کسی روز اخبار میں یہ خبر آجاتی ہے کہ فلاں گاؤں کے لوگوں نے آپس میں ایک دوسرے پر حملہ کر دیا ہے۔ کسی جگہ جاٹ غیر جاٹ کی لڑائی کا ذکر ہوتا ہے۔ حصہ کوتاہ ہندو مسلم، مسلم مسلم، ہندو بریجن اور ہندو ہندو فسادات کی خبریں ہر روز اخباروں کی زینت بنتی رہتی ہیں۔ جس سے ظاہر ہے کہ اتنے سالوں کی غلامی کے بعد بھی ہم نے کچھ نہیں سیکھا۔

دنیا ترقی کے میدان میں بہت آگے نکل گئی ہے مگر ہم ابھی تک جنگل کی تہذیب میں ہی گھوم رہے ہیں۔ تہذیب یافتہ قومیں آپس میں نہیں لڑا کرتی۔ ان میں لاکھ اختلاف بھی کیوں نہ ہوں وہ آپسی بات چیت سے آپسی مسئلے حل کرتی ہیں۔ مگر ہندوستان کا باوا آدم ہی نرالا ہے۔ یہاں کوئی بھی واقعہ یا حادثہ ہوجائے اسے بنیاد بنا کر فرقہ وارانہ فساد شروع ہو جاتے ہیں اور جگہ جگہ ہماری جگہ سنائی ہوتی ہے۔

یہ فساد کون کرتا ہے؟ ظاہر ہے کہ شریف لوگ ایسا کام نہیں کرتے انہیں تو اپنی روزی کا فکر ہوتا ہے۔ ایسے فسادات میں نقصان بھی شریف آدمیوں اور مزدوروں کا ہی ہوتا ہے۔ سرمایہ دار اپنا سرمایہ بڑھانے کی فکر میں رہتے ہیں۔ تو پھر آپسی ٹکراؤ کون کراتے ہیں۔ یہ فساد کرانے والے لوگ سیاستدان ہوتے ہیں۔ یہ اپنے مفاد کی خاطر اپنی لیڈرشپ کی خاطر انسانی خون بہانے سے گریز نہیں کرتے۔ ان کی مدد وہ فرقہ پرست اخبارات کرتے ہیں جو اپنی بکری بڑھانے کے لئے ایسے واقعات کو خوب نمک مرچ لگا کر اچھالتے ہیں اور اپنے کالم میں ایک دوسرے فرقہ کے خلاف لکھ کر اپنا فائدہ حاصل کرنا چاہتے ہیں۔

بہت کم اخباریں ایسی ہیں جنہیں قوم پرست کہا جاسکتا ہے اور جو ایسے فسادات کی مخالفت کرتی ہیں۔ اسی طرح بہت کم سیاستدان ایسے ہیں جو دل کی گہرائیوں سے چاہتے ہیں کہ سارے ہندوستانی بھائی بھائی بن کر رہیں۔

سب ہندوستانیوں کو یہ سمجھ لینا چاہئے کہ اگر ہم میں اتفاق رہا تو ہمارا دیش ترقی کرجائے گا۔ بلیک کرنے والے بلیک نہیں کرسکیں گے، ذخیرہ اندوزی نہیں ہوگی، دھوکہ بازی اور رشوت کا بازار سرد پڑ جائے گا۔ اتفاق کی برکت سے ہمارے بہت سے مسائل بھی حل ہو جائیں گے، دیش ترقی کے راستے پر گامزن ہوگا اور اگر نفاق ہوا تو نہ صرف ہماری ترقی ہی رک جائے گی بلکہ ہندوستان کافی کمزور بھی ہوجائے گا۔

جب جب بھی ہندوستان میں نفاق ہوا ہے تب تب ہی ہم پر مصیبتیں نازل ہوئی ہیں۔ اگر ہم تواریخ سے سبق حاصل کریں اور آپس میں مل جل کر رہنا سیکھیں تو نہ صرف ہمارے مسائل ہی جلد آسان ہو سکتے ہیں بلکہ ہم خوشیوں بھری زندگی بھی گزار سکتے ہیں۔ تاریخ اور ادب کی کتابوں میں اتفاق کے بارے میں ڈھیر ساری کہانیاں ملتی ہیں۔ ہم انہیں ہر روز بروز پڑھتے ہیں لیکن ان سے کوئی فائدہ حاصل نہیں کرتے۔

یہ کہانیاں ہمیں یہ سبق دیتی ہیں کہ اگر ہم اتفاق سے رہیں تو فائدہ میں رہیں گے اور نفاق کی بدولت ہم تباہ و برباد ہو جاتے ہیں۔ نفاق کی بدولت ہم اپنے دشمن کا مقابلہ نہیں کرسکتے۔ یہ کہانی یہ سبق بھی دیتی ہے کہ دنیا میں کچھ لوگ ایسے بھی ہوتے ہیں جو ہمارا اتفاق دیکھ کر جلتے ہیں اور اپنی خود غرضی کی خاطر ہم میں نفاق پیدا کرتے ہیں۔ ہمیں ایسے لوگوں سے بچنا چاہئے۔ اور ہمارے سماج میں بھی جو ایسے لوگ ہیں ان سے خوب ہوشیار رہنا چاہئے کیونکہ یہ خود غرض لوگ اپنے فائدے کے لیے دیش کی یکجہتی کو ختم کرتے ہیں۔ اسی طرح کچھ دیش بھی ایسے ہیں جو نہیں چاہتے کہ ہم ہندوستانی آپس میں پیار محبت سے رہیں۔ ہمیں ان دیشوں سے بھی ہوشیار رہنا ہوگا۔ بھارت کے ہندوؤں، مسلمانوں، سکھوں اور عیسائیوں کو آپس میں اتفاق رکھنا چاہیے۔ اگر ہم ایسا نہیں کرتے تو ہمارا حشر بھی حکایت کے چار بیلوں جیسا ہوسکتا ہے۔
